I am opposed to the stoplight at the corner of Old Sauk Road and Westfield. The Gammon Road/Old Sauk Road stoplight is only 1 block away. A stoplight at the Old Sauk/Westfield location could cause unnecessary backups, making it doubly dangerous for us to access Old Sauk, turning west from our driveway.

There is also a stoplight at the corner of Old Sauk Rd./Highpoint Rd. This would mean 3 consecutive intersections on Old Sauk in what is primarily a residential area. I believe this is unwarranted.
