Basic Printing Tips

For detailed printing tips for your product, visit: avery.com/printingtips

- Adjust printer settings to optimize print quality.
- Check the alignment of your printed layout by first printing on a plain sheet of paper. Hold the printed sheet behind the Avery product to check the alignment of your layout. When satisfied with the layout, print onto the Avery product.

Note: Avery labels with TrueBlock™ Technology are opaque. If you have purchased these labels, compare your plain sheet of paper side by side with the Avery labels with TrueBlock® Technology.

- When printing label products, do not feed labels through your printer more than once. The Avery satisfaction guarantee extends only to a sheet of labels that has been fed through a printer a single time.
- Use only Avery brand products for guaranteed results.
