Dear Ms. Kovich and Transportation Commission,
I'm writing to you today on behalf of Nadya and Sasha Rosen. Sasha was best friends with the children of two families we're close to and was dating my neighbor. I still can't believe that his boisterous light has been extinguished forever, due to poor road design, lacking traffic enforcement, and one driver's self-centeredness and refusal to drive the speed limit or pay attention. The loss of Sasha is a tragedy and also completely preventable. Increased investment in traffic signals and addressing speeding issues on Park St. and across our community can make sure this never happens again to another family. As leaders, I'm asking you today for visible and impactful advocacy in the fight for safer streets.

Thank you,
Kathleen Ginder-Vogel, Madison
