Subject: Hartmayer Natural Area

I am writing to express my strong support of City of Madison Oscar Mayer Special Area Plan Option C - Conservation and other opportunities to purchase and save all 30 acres of the Hartmayer property historic wetland and surrounding upland ecosystem between Roth Street, the old Oscar Mayer plant, Commercial Avenue, North Sherman and adjacent railroad corridors as a nature park and shared community space. In addition to the many reasons presented by the Friends of Hartmayer Natural Area, I appeal to your consciences for stewardship of this precious ecosystem that has become your responsibility to save. There is plenty of space on the rest of the property for housing and commercial space. There will be no opportunity to replace these wetlands and upland and their communities, and their loss will be entirely due to your shortsightedness. Please examine your hearts, and vote to preserve this area. Thank you.
