Landmarks Commission:

Historic Blooming Grove Historical Society manages the 1856 Nathaniel & Harriet Dean House located on the Monona Golf Course. We lease the building for \$1 per year from the Madison Parks Department and are responsible for its utilities and maintenance. The building is on the National and State Registers of Historic Places and is a City of Madison landmark.

The house is run as an historic house museum with eleven rooms furnished in the Victorian style (1856 - 1910). Docents conduct tours of the house on the 2nd Sunday of most months and for 2nd grade school children in the Fall and Spring.

The only identification of what the property is consists of a small two-sided Wisconsin Historical Society marker in the lawn to the right of the building by the sidewalk - too small to be read when driving by. We would like a larger sign that will identify the building.

HBGHS is requesting permission to erect a five feet tall x six feet wide wooden identification sign in the front yard to the left of the house and hitching post this Fall as shown in the attached illustration.

HBGHS will work with the Parks Department to create a low-maintenance garden around the sign that will allow for easy lawn mowing by golf course personnel. We will be responsible for maintenance of the garden in the same way we maintain the gardens around the Dean House. We have money in our treasury to pay for the sign and its installation and we will conduct a fundraising campaign among our members for support of the sign.

Thank you for considering this request.
