KADER KERR

I'm wondering how this work on Pruitt + St  
got to this point with out the people of Pruitt Housing  
input, refer to ~~Concert~~ <sup>Plan Cms</sup> minutes 600008,  
this is the first that I know of this being thus far,  
This was defeated 4 years ago.

There was a meeting by order of Meriter I attended  
that was the last that was said until 600008  
It seems to me Pruitt + St was left out of this  
entire plan,

The <sup>Monong</sup> ~~Monong~~ Association was <sup>unknown</sup> unknown to me  
until 800008 I suspect others on Pruitt + St  
were not made aware of this ALSO,

NO NAMES from Pruitt + St appear  
on petition of Support
