Dear Blake Richter:

At its July 8 meeting, the Plan Commission, meeting in regular session, found the standards met and approved your conditional use to operate a restaurant-nightclub on the eighth floor of 823 East Washington Avenue. In order to receive final approval of your requests, and for any other permits that may need to be issued for your project, the following conditions shall be met:

Please contact Jenny Kirchgatter, Assistant Zoning Administrator at (608) 266-4429 if you have any questions regarding the following one (1) item:

1. The proposed restaurant-nightclub shall comply with Supplemental Zoning Regulations Section 28.151 Restaurant-Nightclub. The maximum capacity will be established by the Director of the Building Inspection Division, not to exceed the number of available seats, plus staff, plus a reasonable number of people waiting for seats, as shown on the floor plan consistent with approved capacity. The restaurant-nightclub must serve food at all hours it is open.

Please contact Jeff Quamme of the City Engineering Division – Mapping Section at (608) 266-4097 if you have any questions regarding the following one (1) item:

2. The address of the restaurant on the 8th floor is 823 E Washington Ave STE 801. The site plan shall reflect a proper street address of the property as reflected by official City of Madison Assessor's and Engineering Division records.

Please contact Luke Peters of the Traffic Engineering Division at (608) 266-6543 if you have any questions regarding the following two (2) items:

3. Applicant shall submit for review a Commercial Delivery Plan. This plan will include times, vehicle size, use of loading zones and all related turning movements.
4. Applicant shall submit for review a Waste Removal Plan. This shall include vehicular turning movements, times, vehicle size, use of loading zones and all related steps to remove trash from its location.

Please contact Tim Sobota of Metro Transit at (608) 261-4289 if you have any questions regarding the following two (2) items:

5. Metro Transit operates daily all-day transit service along East Washington Avenue adjacent this property - with trips at least every 30 minutes (every 15 minutes or less during the day on weekdays and Saturdays).
6. Metro Transit would initially estimate the following counts of potentially eligible trips towards US Green Building Council/LEED Quality Access to Transit points: 130 Weekday & 97 Weekend. Please contact Metro Transit if additional analysis would be of interest.

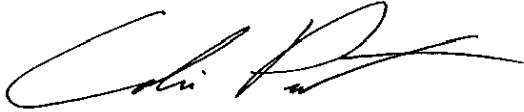

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.

Please now follow the procedures listed below for obtaining your demolition permit and conditional use:

1. After the plans have been revised per the above conditions, please **one (1) complete digital plan set in PDF format** of complete, fully dimensioned, and to-scale plans; the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code; and any other documentation requested herein to the Zoning Administrator at SPRapplications@cityofmadison.com. (Note that that an individual email cannot exceed 20MB and it is the responsibility of the applicant to present files in a manner that can be accepted. Please email zoning@cityofmadison.com regarding questions or if you need alternative filing options) The sets of final revised plans or documents will be circulated by Zoning staff to the City department staff listed above for their final approval.
2. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting conditional use approval.
3. The conditional use approval is valid for two (2) years from the date of the Plan Commission approval. During this time, the applicant must either lawfully commence the use or obtain a building permit and begin erecting the building. If the applicant obtains a valid building permit, construction must commence within six (6) months of the date of issuance. The building permit shall not be renewed unless construction has commenced as is being diligently prosecuted. Where the plans have not been altered since approval of the conditional use and approval has expired, the Director of Planning and Community and Economic Development may, after consultation with the Alderperson of the District, approve an extension for up to 12 months from the expiration date.
4. Any alteration in plans for a proposed alternative use shall require Plan Commission approval, except for minor alterations. The Zoning Administrator may issue permits for minor alterations or additions which are approved by the Director of Planning and Community and Economic Development and are compatible with the concept approved by the City Plan Commission and the conditional use approval standards.
5. The Plan Commission retains continuing jurisdiction over all conditional uses for the purpose of resolving complaints against all previously approved conditional uses.

If you have any questions regarding obtaining your conditional use or building permits, please contact the Zoning Administrator at 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at 243-0455.

Sincerely,
