Hi Brad,

I just saw that Ruth is out of the office.

Can you pass this on to the Plan Commission for tonight?

Thanks,

Joe Clausius

Dear Ruth,

Please pass this on to Plan Commission members and staff for the meeting this evening.

I have no problem with the proposed condition use for this property as a payday loan business. This location was previously home to a similar business and there were no problems.

Heather Johnston of Interplan and I have discussed this project in detail and I am pleased that a vacant storefront is being occupied with the potential for hiring 3 to 5 employees.

I urge the Plan Commission to approve this conditional use. Please contact me if there are additional questions or concerns.

Sincerely,

Joe Clausius
