

Yes, Lt McCaw has been in contact with applicant.
Issues that were brought to his attention include:

1. Managing capacity in venue and any line that may form keeping it out of the public street area.
2. Working with license venues in block to have café's removed for event and to monitor alcohol from those venues into event venue.
3. Maintaining noise at a reasonable level for the neighborhood.

The district has no concerns if these conditions are followed.
