Good afternoon,

Yes, your current license limits the outdoor capacity to 20 people by a condition on the license. There is nothing on the license that would stop the outdoor area from being expanded by the streatery extension.

Sincerely,

Good evening,

I have processed this application. However, the conditions on the alcohol license limit the outdoor capacity to 20 people. You can have the space expanded for now, but you will need approval from at least the ALRC to add the additional 4 people for the Streatery Extension. We will have an orange sign ready for your pick-up on Monday.

Sincerely,

**Jim Verbick, Deputy Clerk**
