

I am writing to express my support for Legistar I.D. 19279 on the agenda for the July 26, 2010 Plan Commission Meeting.

Both Richard Wilberg of American Family and representatives of Erin's Snug Irish Pub & Restaurant have met with me regarding their request for a conditional use for an accessory off-site parking lot adjacent to their business. The additional lot will eliminate the problem of patrons trying to find parking at peak business times. I recommend approval of this conditional use request.

If anyone has any questions or comments, please contact me.
