To Whom it may concern:

We own the property at 1020 Sherman Avenue. We understand that the Transportation Commission will meet on May12, 2021. Reinstating a partial closure of Sherman Ave from Brearly St to Baldwin Ave is on the agenda, item 65355.

Last summer and fall, our neighborhood enjoyed and appreciated the partial closure for the safety and enjoyment of everyone using our street, both pedestrians and bicyclists. Because of Covid and the increased high usage of Sherman Ave, social distancing and maintaining safe vehicular speeds remain imperative for the safety of all. Our neighborhood has become extremely popular and its high use is sure to continue.

We would like to see the partial closure of Sherman Ave resume.

Thank you so much for your consideration,
Mike and Maura Crooks
