Dear Mr. Barketallah,

On May 21, 2010 we had an ALERT meeting for your establishment. At that meeting, the following issues were identified:

- Large disturbances just outside of your establishment
- Not checking IDs of underage patrons

We made a series of recommendations to address the above-referenced issues including:

- Send staff to MPD's periodic Tavern Safety Training. The next training session will take place on May 27 at 4:30pm in Room GR-22 of the City County Bldg.
- Review your choice of promoter and/or promotional strategy.
- Station additional staff people just outside of your establishment until all patrons have dispersed. Encourage people to move along at the end of the night.
- Utilize the unruly patron ordinance if appropriate.
- Call police at the first sign of a physical disturbance.
- If problems continue to escalate, consider decreasing capacity and/or closing early.

If you have any further questions regarding this matter, please feel free to contact me at the number listed below.

Sincerely,

Katherine Plominski
