Summary

Relevant Ordinance Section:

28.185(7) Review for Historic Value. Every application for demolition or removal of a principal structure shall be reviewed by the Landmarks Commission, which shall provide input to the Building Inspection Division regarding the historic value of the property with the building or structure proposed for demolition or removal.

- (a) If the Landmarks Commission determines that the property with the proposed demolition or the structure proposed for removal has no known historic value, the demolition or removal may be approved administratively under sub. (8)(b) below, provided that at least one of the standards for administrative approval have been met.
- (b) If the Landmarks Commission determines that the property with the proposed demolition or the structure proposed for removal has historic value, then the Plan Commission shall approve the demolition or removal under sub. (9) below, after considering input from the Landmarks Commission.
- (c) Nothing in this subsection eliminates the requirement in MGO Secs. [41.09\(1\)\(c\)](#) and [41.12\(3\)](#) that the demolition of landmark structures or structures in historic districts must also be approved by the Landmarks Commission through the issuance of a Certificate of Appropriateness.

Applicant: Brian Munson, Vandewalle & Associates

Applicant's Comments: This demolition request is for the residence and barn located at 3978 Schewe Road, which is in the process of being attached from the Town of Middleton. The buildings are requested for demolition as part of the orderly development of the site into residential uses, consistent with the adopted Elderberry Neighborhood Plan.

Staff Findings: There is no preservation file or WHS site file.

Staff Recommendation: Staff recommends a finding of no known historic value.

519 W Main Street

Four-unit residential building constructed in 1901.

Applicant: Fed Novikov, The Neutral Project LLC

Applicant's Comments: Demolition request in conjunction with a development proposal to create a new multi-family dwelling on the property. The existing building on the property has reached functional obsolescence.

Staff Findings: There is no preservation file or WHS site file.

Staff Recommendation: Staff recommends a finding of historic value as part of the vernacular context of downtown Madison, but that the structure itself is not historically or architecturally significant.

521 W Main Street

Applicant: Jeff Stowe, Thrive Architects

Applicant's Comments: We found out from planning that the addition we are doing is covering a street facade, so it is considered a technical demo per zoning ordinances.

Staff Findings: There is no preservation file or WHS site file.

Staff Recommendation: Staff recommends a finding of no known historic value.
