Shiva,

Both Mike and I support the plan for 209 prospect. Matt and Julie were neighbors before they left for New Zealand. It's wonderful to have them back in Madison, and back in the neighborhood. Their house, while modern, has been carefully designed to fit into the lot. Their dog, Buckley, is well suited to the shared dog backyards of their immediate neighbors! We're lucky to have such thoughtful urban infill.

Ann (and Mike) Varda
