Jim,

I'm writing to request an extension on our alcohol permit for the Red Rooster at 2513 Seiferth Road. We haven't yet finished construction. As you can see [here](#), our conditional use application took much longer than expected and approval from various agencies was just received on 1/6. It'll be at least another two or three months for us to get our renovations completed and for all the remaining approvals. If you need more information from us, please let me know. And if I should submit this to a different person in the Clerk's Office, please let me know.

thanks very much,
Jesse
