Greetings ALRC members-

I am unable to attend your meeting today.

33. 60509 Change of Licensed Premise Musonics LLC • dba Cafe Coda Current Capacity (in/out): 99/0 • Proposed Capacity (in/out): 99/8 1224 Williamson St • Agent: Hanah Jon Taylor Class B Combination Liquor & Beer • 60% alcohol, 40% food Aldermanic District 6 (Alder Rummel) • Police Sector 408 Request to extend premises for outside seating during seven hours of an operating day from June 1 through October 31.

I support the change of licensed premises for Café Coda. I sent a postcard to nearby neighbors to invite them to meet the applicant at the June 9 MNA preservation and development committee meeting. (I am limited to sending 50 identical messages due to the fact I am running for state office and must limit my use of public resources, so I did not send to my usual two block radius). The success of this establishment is important to me and the neighborhood association.

38. 60751 Change of Licensed Premise Garver Events LLC • dba Garver Events Current Capacity (in/out): 530/280 • Proposed Capacity (in/out): 530/280 3241 Garver Green • Agent: Bryant Moroder Class B Combination Liquor & Beer • 50% alcohol, 50% food Aldermanic District 6 (Alder Rummel) • Police Sector 602 Request to temporarily expand outdoor service area through October 31, 2020.

I support the change of licensed premises for Garver Events. I did not conduct a neighborhood meeting but the applicant attended the SASY board meeting. The applicant, as part of their due diligence to apply for a change of licensed conditions for outdoor amplification next month, invited nearby neighbors to participate in sound checks.

44. 60979 Change of Licensed Premise - Streatery Extension Next Door Brewing LLC • dba Next Door Brewing Current Capacity (in/out): 99/16 • Proposed Capacity (in/out): 99/48 2439 Atwood Ave • Agent: Aric Dieter Class C Wine • 45% alcohol, 54% food Aldermanic District 6 (Alder Rummel) • Police Sector 601 Request to temporarily increase outdoor premises to 48

Since this change of licensed premises is before you to formalize a staff approved expansion under the Streatery program, it seems moot whether I support or not. I did not conduct a neighborhood meeting. I heard from one resident who had concerns about having a “beer garden” so close to residents who are homebound because of the pandemic and hoped the seating could be located closer to the street or on the sidewalk.

54. 60709 Public Hearing - New License MadSweetPea LLC • dba Taco Local 811 Williamson St • Agent: David Rodriguez • Estimated Capacity (in/out): 50/50 Class B Combination Liquor & Beer • 25% alcohol, 75% food Aldermanic District 6 (Alder Rummel) • Police Sector 408

I support the new license for Taco Local. I sent a postcard to nearby neighbors for the June 9 MNA preservation and development committee meeting to meet with the applicant (again limited to sending 50 postcards.) Neighbors are very excited by the restaurant concept and the owner. Neighbors understand the outdoor patio will be permitted under the Streatery program and that for 2020 the capacity inside and outside is 50 total, not 50 in/50 out. Neighbors expect to discuss the outdoor service area again through the formal conditional use process in 2021. I would request that you grant only the 50 indoor seats and not grant 50 outdoor seats so we can discuss setting official outdoor capacity next year.

As always, thank you for your service.

You can fill out the census from home. Everyone living in your household should be counted. Census data determines how more than \$675 billion in federal funds are distributed to communities across the country for affordable housing, childcare, healthcare, education, transportation, and more. That's over \$2,000 per person for Madison and Dane County every year. Please remind friends and family to be counted. By law your answers are confidential.
