**Subject:** RE: New Liquor License in Your District

Greetings one and all,

The applicant contacted me before submitting the application, and we thoroughly discussed perceived issues and potential problems. Based on my knowledge of the location, the operation, and the potential clientele, I offered my support of the application if MPD did not have any concerns. I now actively support their application.

Please feel free to contact me if you have any questions or if you would like to discuss this further.
