Subject: ALRC application for ZuZu Cafe
Date: Tuesday, March 15, 2016 9:15:39 PM

I am writing on behalf of the Greenbush Neighborhood Association's Neighborhood Council in support of the alcohol license modification application for ZuZu Cafe. Kate and Bobby have been operating ZuZu for many years now with no incidents or complaints that we are aware of. The establishment has been a pleasant gathering place for neighbors in the area, and we welcome their efforts to expand their business.

I do have some concerns about the prospect of carry-out sales of spirits at this location surrounded by residential properties, although we have been assured the proprietors have no intention of pursuing such sales.

Sincerely,

John Perkins
Greenbush Neighborhood Association President
