Dear Alcohol License Review Committee,

I am writing as a residential neighbor/owner sharing a property line with the Taco Local business. I have lived at 814 Jenifer St for more than 25 years and I support their request to extend service hours and to expand service to the patio. The establishment is well-run, adds great value and character to our neighborhood. It is located in a commercial district and I think the use is not only appropriate, it's ideal. I support the establishment offering live music and bringing both food & musical art and cultural diversity to my neighborhood, and my back yard. This is exactly the kind of business we need and I look forward to sitting on that patio, or in the expanded upstairs, enjoying food and drink and music, soon.

Thank you,

John Beck
