5.1	Mission. State the PHA’s Mission for serving the needs of low-income, very low-income, and extremely low income families in the PHA’s jurisdiction for the next five years: <p style="margin: 10px 0;">The Community Development Authority (CDA) of the City of Madison intends to follow the Department of Housing and Urban Development’s mission of promoting adequate and affordable housing, economic opportunity, and a suitable living environment free from discrimination.</p>					

5.2

Goals and Objectives. Identify the PHA's quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan.

In an effort to provide decent, safe, and affordable housing in the City of Madison, the CDA will continue to set goals addressing the following objectives:

Increase and expand the CDA's supply of assisted housing and provide more choices in housing.

Objectives in these areas include: applying for available Housing Programs funding; continuing to support voucher mobility; providing outreach to potential voucher landlords; promoting Section 8 Homeownership; and continuing to pursue the renovation and rehabilitation of the CDA's Public Housing through the use of Capital Fund, Hope VI, and Tax Credit programs.

Improve the quality of CDA assisted housing and the quality of life for CDA program participants.

The CDA will continue to explore Housing Program funding related to supportive services for its program participants. The CDA will continue efforts to update administration related to Asset Management and as required by PIH Notices issued by HUD. The CDA will also look to comply with any new Public Housing Assessment (PHAS) and Section 8 Management Assessment Program (SEMAP) Criteria. The CDA will continue to conduct its Service Coordinator Program to help the elderly and disabled residents retain their Public Housing. The CDA will continue to work with other agencies to coordinate and provide much needed social and mental health services to its Public Housing residents. The CDA will also continue to monitor Public Housing security and implement improvements for a safer living environment.

Promote self-sufficiency of families and individuals. The CDA will continue to develop and administer its Housing Choice Voucher Family Self Sufficiency (FSS) Program. The CDA will also continue to work with local employment and training programs to provide opportunities to residents in any future renovation and rehabilitation activities conducted at its Public Housing sites. The CDA has been collaborating with City of Madison Community Development Block Grant (CDBG), Dane County CDBG, City of Madison Department of Civil Rights, Dane County Affirmative Action, and the Dane County Housing Authority to develop a common Section 3 Program that would coordinate efforts and hopefully increase Section 3 resident participation. Section 3 is a program to promote employment opportunities for low-income residents through the use of federal funds. This newer program effort should be implemented in 2011-2012.

Ensure Equal Opportunity in Housing. The CDA will ensure equal opportunity and affirmatively further fair housing. Objectives in this area include undertaking proper measures to affirmatively ensure access to assisted housing, to affirmatively provide a suitable living environment for families living in assisted housing, and to affirmatively ensure accessible housing to persons with disabilities.

Actively follow the Violence Against Women Act (VAWA). The CDA has implemented and will continue to follow the applicable provisions of VAWA. CDA's goals and objectives are to serve the needs of program eligible victims of domestic violence, dating violence, sexual assault, or stalking.

The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>See attached PHA Plan Addendum (WI-003-A01)</p>

Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. **Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.**

The CDA will continue to participate in the Consolidated Plan development process to help provide a broader scope of strategies. As a strategy to address local housing needs, the CDA's Long Range Planning Committee identified Public Housing sites for renovation, rehabilitation, and new construction. The CDA developed a priority approach and worked with public housing residents to develop a concept plan at its priority Site, Truax Park Apartments. The CDA will continue to look for ways to prolong the useful life and affordability of its Public Housing units, as well as investigate redevelopment strategies that will increase the number of affordable housing units within the CDA's housing portfolio.

Under the Section 8 Voucher Program, the CDA will continue to explore options related to the use of Project Based Vouchers in developing affordable and special needs housing. Payment standards will also be reviewed to determine the appropriate levels for dispersion and utilization. In an effort to maintain a successful voucher lease-up rate, the CDA will continue to market the program to owners and effectively screen applicants to increase owner acceptance of the program. The CDA will apply for additional Section 8 vouchers should they become available and will utilize other resources available to create mixed-financed affordable housing.

The CDA will review current preferences and determine if still needed, or if preferences should be added or revised. This will be performed as part of the Admissions & Continued Occupancy Policy (ACOP) update. This updating will also include revisions to CDA Public Housing leases to correspond to the ACOP update.

The CDA exceeds HUD federal targeting requirements for families at or below 30% of AMI in both Public Housing and Section 8. The CDA will actively market through applicable agencies and publications for housing assistance to those who are elderly and to those who believe they would need an accessible unit. The CDA will continue to comply with Section 504 requirements in any redevelopment activities. The CDA will continue to affirmatively further fair housing, including affirmatively marketing to assist families with disabilities and families of races/ethnicities, which are shown to have disproportionate housing needs.

Additional Information. Describe the following, as well as any additional information HUD has requested.

(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.

See attached Progress Report (WI-003-A06)

(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"

The Annual Plan, along with other documents required by HUD (e.g. Section 8 Administrative Plan, Public Housing Admissions and Continued Occupancy Policies, etc.) are valuable tools in explaining to the public, the CDA's policies and procedures. These documents are organized, readily accessible, and easy to understand. Revisions are made to help clarify these policies and procedures. Situations can arise that were not anticipated and these revisions can help to clarify what was implied or understood by the Housing Authority. Also, some administrative procedures are outlined in the CDA's policies and these can be modified to improve efficiencies. A significant Amendment or substantial deviation would be a change which was completely contradictory to existing policies and had a potentially substantial impact on a significant number of program participants and or applicants.
