*Dear City Leaders,*

I'm writing to you today as a *friend and neighbor* of Nadya and Sasha Rosen.

*Sasha was killed in a traffic accident last Thursday, February 5th. He was a childhood friend of our youngest son. They played with legos together, walked to school together, and made lots of silly memories together. They were both supposed to graduate from West High School together this spring.*

The loss of Sasha is a tragedy and also completely preventable. Increased investment in traffic signals and addressing speeding issues on Park St. and across our community can make sure this never happens again to another family. As a leader, I'm asking you today for visible and impactful advocacy in the fight for safer streets.

Sincerely,  
*Dawn Gebler*
