ONE WAY COMMUNICATION - PLEASE DO NOT REPLY ALL.

Plan Commissioners,

I apologize, I will not be able to attend your meeting on Monday night, as I'm out of town.

I am writing to strongly support the motion to reconsider 1720 Monroe Street and 625 S. Spooner Street (ID 49895 and ID 49690). You all expressed specific concerns regarding the project, which I appreciate, but I do not believe it was your intention to completely stop this project. The changes being proposed by ULI are responsive to your direction, and should be considered as soon as possible. For the sake of neighborhood residents and businesses, reconstruction of Monroe Street and development of this site should happen in tandem.

There has been a strong and comprehensive public engagement process for this project. Indeed, the neighborhood association specifically commended ULI on their neighborhood outreach. There is time for the neighbors, particularly those most impacted by this development, to be briefed on the proposed changes to the plans, and for you all to consider the project at your February 19th meeting.

Thank you in advance for your consideration of this request. Please let me know if you have questions or concerns.

My best,  
Sara
