

Dane Co. Storm Drain Mural Project

Storm Drain Mural Tour- Dane County, Wisconsin

Madison Area Municipal Stormwater Partnership and Dane Co. Land and Water Resources Dept.

Do you know where the water that washes down your storm drain goes? A new Storm Drain Mural Program led by the Madison Area Stormwater Partnership, Dane County Land and Water Resources Dept. and Dane Arts Mural Arts (DAMA) is using art as a vessel to help teach students and communities across Dane County about stormwater. Once completed this map will highlight 20 storm drain murals across Dane County. Check them out!
