To Whom It May Concern:

The Madison Radicals support Big Top Events/Sports in their efforts to add suites to Breese Stevens field. The addition of suites will allow us to provide another option for our fans to experience our games. We receive requests for the ability to host gatherings such as birthday parties and work outings. The suites would lend themselves well to be able to meet these growing requests. The suites will also provide another level of professionalism at our games improving the overall fan experience with these exciting options.

Sincerely,
