BUS STOPS ON TURNER AVE.

A women called in stating she is not very happy with the bus stop 16 removal and wanted me to make a note of it and she will be writing in as well.

###

Please do not remove this bus stop. "It is hard for me to get to a bus stop that is farther away".

###

Please do not remove my stop at allis ave. It would force me to walk a much longer way to reach a bus stop. I have been using these stops for 20 years, back when it was still the E line. I do not see the necessity for these changes.

###

Caller does not want the stop at Turner & Allis on route 16 removed.

###

I Oppose the closing of the Bus Stop at Turner & Allis, I would have to walk further to get a bus and I am elderly

###

I just wanted to comment of the Turner Ave proposed closing of stops. I feel the same way about Jenifer, you can't eliminate Few St, please!

This email is concerning the bus stop on Turner Ave. The number is 7716 and is under consideration for elimination. However i would like to bring to your attention that I use that particular stop almost every week day to get to school in the morning. It is close and very useful and I would really prefer it if it stayed.

Long time bus rider's comments: please don't change the bus stops. I'm very unhappy about this proposal.
