

## Report from the Healthy Marketing and Procurement Committee

### Madison Food Policy Council

The Healthy Marketing and Food Procurement Committee met on May 25<sup>th</sup>, 2015 at 4:30 pm at the Madison Municipal Building in LL120.

The members present were: Taiya Bach, Chris Brockel, Alexia Kulwiec and Kathy Utley  
City Staff: Mark Woulf

Members not present: Carmell Jackson, Carrie Edgar, Christopher Daly and Sara Larson

This was the first meeting convened of this working group since the passing the resolution that passed by the council, requesting the Food Policy Council to develop a food procurement policy for the municipal food venders.

The outcome of the meeting was to develop a work plan and a timeline to accomplish the goal of presenting a completed policy to the council sometime early next spring. The working group would work to develop a framework by August and then work on the details of the program that included implementation, standards and best practices. The next few meetings will be conducting research and reviewing other policies as well as bids and contracts. Our goal is to have a draft document completed for full Food Policy review by February of 2016.

This group agreed to meet once a month.

Thanks  
Kathy Utley  
Chair
