Freedom Inc.	M. Adams and Kabzuag Vaj (Co-Executive Directors)	info@freedom-inc.org	https://freedom-inc.org/	Freedom, Inc. (FI) is a Black and Southeast Asian non-profit organization that works with low- to no-income communities of color. Our mission is to achieve social justice through coupling direct services with leadership development and community organizing that will bring about social, political, cultural, and economic change resulting in the end of violence against women, gender-non-conforming and transgender folks, and children within communities of color. FI works to challenge the root causes of violence, poverty, racism and discrimination. Our belief is that people who are most affected by these issues must have voice, power, resources and choice, in order for true social change to happen.	Asian American, African American
