To Whom It May Concern,

I understand there is a board park commissioners meeting tonight at 6:30.

One of the topics to be discussed is whether or not Esther Beach Park should continue to be a dog free park.

As a resident of the neighborhood, I support the change towards a dog friendly park. I'd love to be able to take my dog to Esther beach park and relax by the water or play in the water. It's a beautiful park, and I understand that allowing dogs in the park could cause worry about whether or not dog owners will

clean up after their dogs. Overall, I've found that dog owners in this neighborhood are very respectful and ensure to clean up after their dogs.

I hope you consider supporting Esther Beach Park into becoming a dog friendly park!

Thank you!
