Subject: In support of Garver Green
Date: Monday, June 17, 2019 1:33:38 PM

Hi Jim,

I'd like to voice my support of Garver Green and the pending liquor license for Underground Kitchen. The east side has a serious need for newer event venues that can accommodate larger numbers. I hope the members of the license review committee understands how badly we need this venue to attract more economic activity from group recruitment on the east side.

Thank you for your time and consideration,
Kristie Schilling
