

BPW Meeting December 21, 2009:

Review of Projects by Engineering Environmental Staff for Impacts to Water Resources

**25. Law Park Concrete Ramp**

This project requires an Individual Chapter 30 permit from the WDNR and a City Engineering Stormwater and Erosion Control Permit. Both permit applications shall be submitted shortly.

**38. University Ave Reconstruction**

This project is through the WI Department of Transportation, and so no Notice of Intent is required for land disturbance.
