Alders,

I am sure that the [Percent for Art Ordinance Annual Report 2022](#) will be accepted without discussion, but I wanted to take a brief moment to elevate the incredible work that Karin Wolf, Arts Program Administrator, and Meri Rose Ekberg, Community & Cultural Resources Planner, do every day and especially related to carrying out the City's Percent for Art program (Legistar File # 47273). We are so fortunate to benefit from their dedication, passion, and good work!

Best,  
-Nick
