## *Agency Overview*

### Agency Mission

The mission of the Common Council is to represent the residents of Madison by promoting the safety, health, and general well-being of the community by incorporating the City's core values into their work with currently available resources. The Council Office staff supports the alders in these efforts.

### Agency Overview

Alders represent the City's 20 aldermanic districts and are led by a Council President and Council Vice President that are elected annually in the spring.

### 2023 Budget Highlights

#### Service: Common Council

- Decreases hourly wages (\$4,000) to partially fund an increase in conferences and training (\$5,000) and memberships (\$250) for Council Office staff. (Ongoing increase: net \$1,250)
- Increases individual alder expense account budgets by \$250 per alder to be used as stipends for alder interns. This funding is prioritized for intern stipends but can be used for other allowed alder expenses. (Ongoing increase: \$5,000)
- Adds funding for consulting services to fund alder training on topics including communication, respectful interaction, and racial equity, as well as to fund a professional conflict mediator to be used if there are conflicts that require additional resources. (Ongoing increase: \$25,000)
- Provides funding for a proposed increase to alder pay effective April 18, 2023, via Common Council amendment #13-SUB. Per the amendment, alder pay would increase from an effective hourly rate of \$13.77 (\$14,904 annual salary) to an effective hourly rate of \$19.04 (\$20,604 annual salary). The Vice President and President would continue to receive a premium (\$20.54 and \$23.17 new effective hourly rates respectively) based on current hourly rate differentials. While the budget included funding for the pay increase, per Wisconsin Statutes, the increase must also be codified in ordinance passed by a three-fourths vote of all members of the Council. Passage of the ordinance failed, therefore, although funding is included in the Common Council adopted budget, alder pay rates are not increased. (Ongoing increase: \$91,078)
- Adds funding for a University of Wisconsin UniverCity Alliance student affordable housing study via Common Council amendment #16-SUB. The budget covers the cost of surveying students for the affordable housing study, which would include paying for incentives. (One-time: \$9,300)
