RE: Proposed Eagle Harbor Apartments

Dear Mayor Soglin and Common Council:

I am pleased to offer Community Living Alliance's (CLA) support to the proposed Eagle Harbor Apartments and ask that you uphold the Plan Commission decision.

The project aims to provide affordable housing to people with a wide range of incomes, which is greatly needed in the area. The development will provide additional housing, support the local economy by creating construction jobs, and improve the housing options for low to moderate income residents.

For these reasons, I ask the Mayor and Madison Common Council to give full consideration to grant conditional use with regard to the zoning of the property for construction of Eagle Harbor Apartments.

If I may be of further assistance or provide additional information, please do not hesitate to contact me at 608-242-8335, Ext. 1372 or email costello@clanet.org.

Sincerely,

Todd Costello
Executive Director
