

*Lowered-Floor
Accessible Minivans*

Because Life is a Moving Experience®

BraunAbility®

BraunAbility Minivans are used daily by people from all walks of life and of all ages, but they still mean only one thing to every owner: freedom. Freedom to get out and enjoy all that life has to offer. Freedom to stay connected to the people and places they care about most. No matter if you travel independently or with an attendant, our vehicles are designed to break down barriers, eliminate excuses and put you back on the road. Over the years, BraunAbility has helped thousands of people just like you lead a life without limits. Whether traveling across town – or across the country – you can count on us to get you there. Every day. Every time.

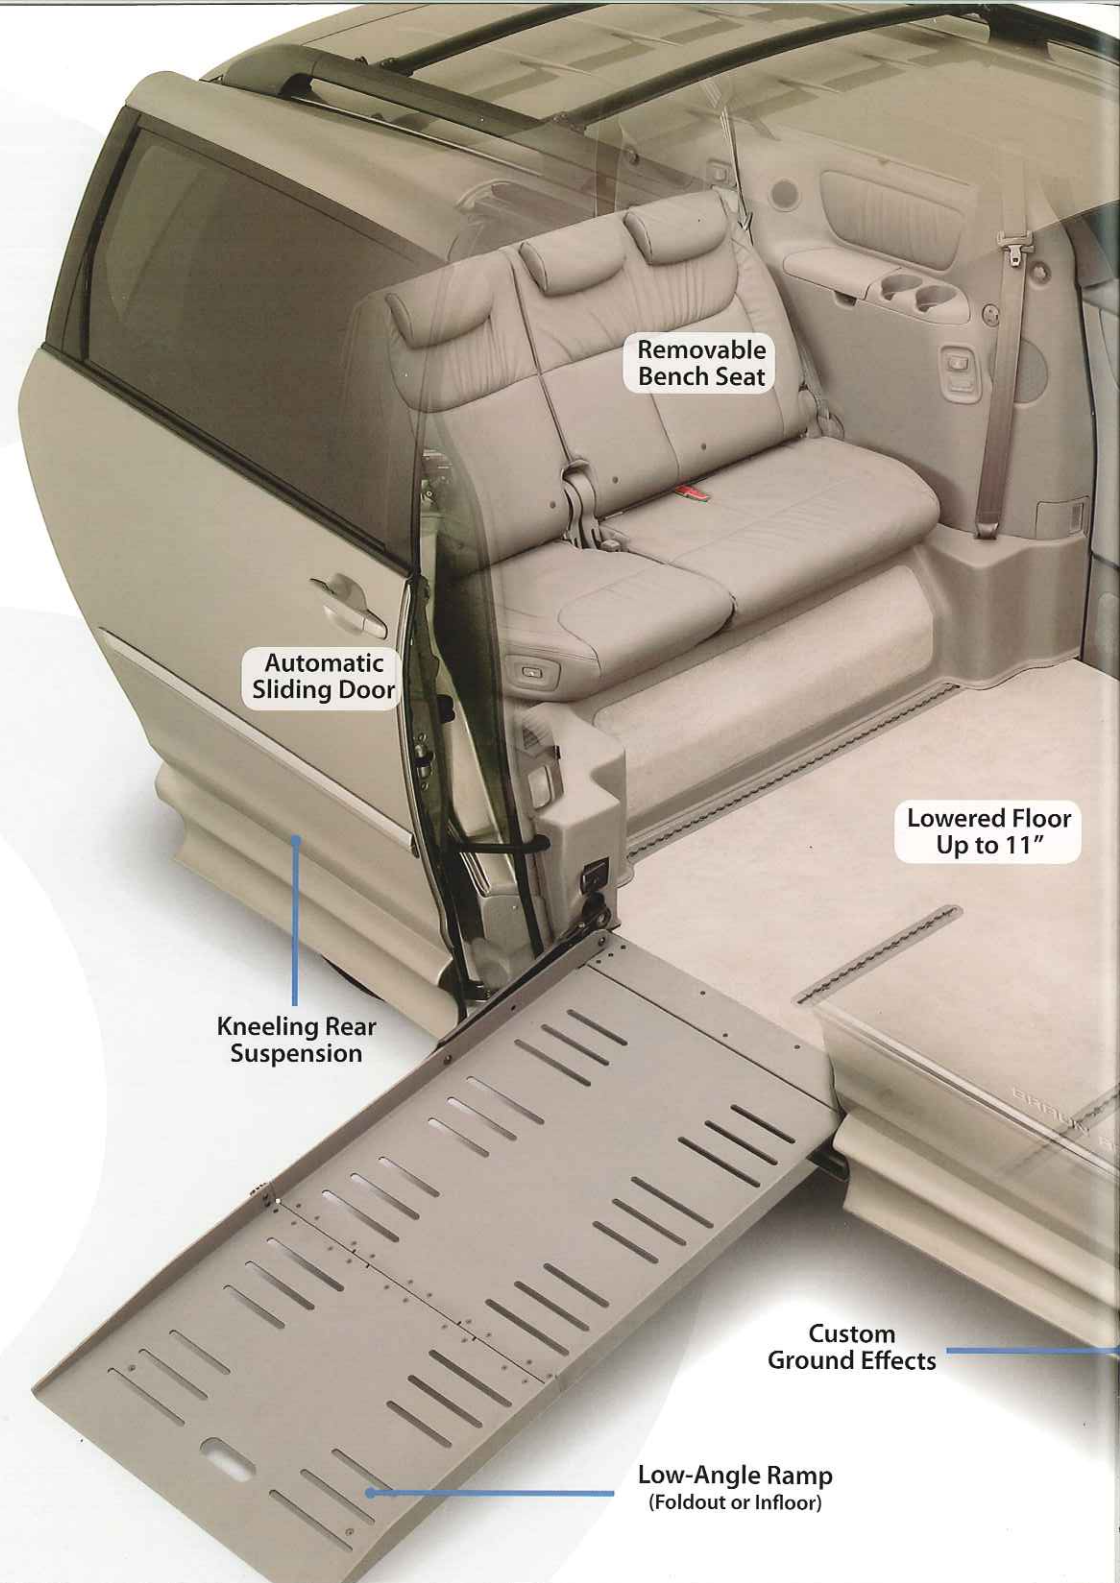

Because Life is a Moving Experience®

BraunAbility®

The **CompanionVan** conversion provides a unique lowered floor area in the center of the van only, offering accessibility in an economical package for those who will travel with an attendant.

(Foldout or Infloor)

Total Access

From the inside out, BraunAbility Minivans are built for accessibility, allowing you to configure the van specifically for your needs.

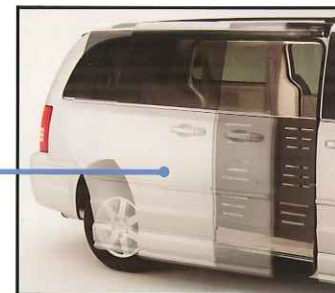

Maximum Interior Headroom

Removable Seating

Three Wheelchair Securement Positions

Automatic Door

The vehicle's original door operator reliably opens the sliding door at the touch of a button.

Kneeling Suspension

As the door opens, the rear suspension lowers to reduce the slope of the ramp even further.

Automatic Ramp

The sturdy aluminum ramp extends to allow easy access to the lowered floor interior.

Remote Control

The accessible functions are controlled by the keychain remote and several interior switches placed for your convenience.

Please visit our website for an animated tour of BraunAbility Minivans.

www.BraunAbility.com

BraunAbility[®]

Though primarily designed to meet your mobility needs, BraunAbility Minivans meet your tastes as well with a variety of chassis to choose from. When you visit your local BraunAbility Center, you'll have the opportunity to try out the vans in stock to see which one fits you best. No matter which you choose, at the heart of each conversion lies BraunAbility's commitment to your satisfaction and safety. This promise is backed by the vehicle's original warranty as well as our Three-Year Limited Warranty – the best the Ability Industry has to offer.

BraunCredit

Helping to make our vehicles accessible for everyone, BraunAbility offers financing through BraunCredit. Your local BraunAbility Dealer can provide assistance in developing a program custom tailored to your needs, with flexible terms up to 10 years. Visit our website and download a credit application for quick pre-approval.

Turning Automotive Seating™ (TAS™)

Turning Automotive Seating™ (TAS™)

Turny™... The Revolutionary Get In and Out of

An Incredible Automotive Solution For Users of All Types!

Automotive vehicles change every year. Styles come and go. Certain types become the rage, only to be replaced by new popularity champions. What has never changed is the turning, twisting and climbing required to get into, and out of, a vehicle. High riding minivans, SUVs and pickup trucks present the added challenge of a formidable first step. Bruno® is pleased to present a revolutionary automotive solution – Turning Automotive Seating™ (TAS™). Years of research and engineering have resulted in these products that help individuals, once again, gain access to their cherished vehicles. With hundreds of vehicle specific mounting kits for almost every type of vehicle, Bruno wants you to “Live Life Your Way!”

Turny™ Orbit® (TAS-2560E) in Minivan

Shown with Carony™*

Turny™ Orbit® (TAS-2560E) in SUV

- Front Right Position – available for minivans, full-size vans, pickup trucks, SUVs and CUVs
- Mid Right Position – available for minivans and full-size vans
- Mid Left Position – available for minivans and full-size vans
- Front Left Position – available for pickup trucks, SUVs and 2004 or newer Toyota Sienna® minivans

IMPORTANT: Contact your authorized Bruno dealer for specific details on your vehicle!

* See back page for Carony information

Easy In, Easy Out

You won't believe how much easier it is to access your vehicle with Bruno's Turny products. Get on the seat, hit a button, and you're in! The seat can be stopped at the height that's convenient for you.

Safety

All TAS products allow the use of automotive seat belts, keeping you safe and secure!

Ask your authorized Bruno dealer to see the TAS DVD today!

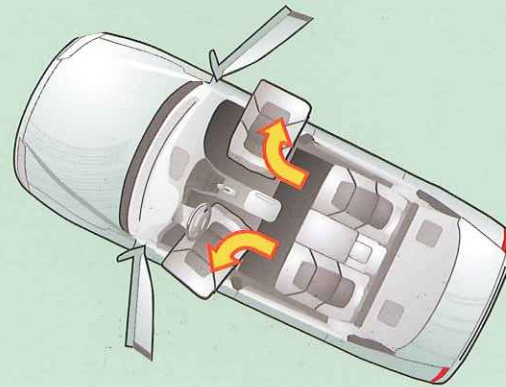

Turnout®... The Amazing Solution to Help You Get In and Out of Lower Vehicles

Turnout® in Sedan (TAS-2400E Driver Position Shown)

The Turnout® rotates to provide easy access to the seat with both power (TAS-2400E) and manual (TAS-2400) models available.

Turnout® is available for both driver and passenger positions

Turnout® in Sedan (TAS-2400E Passenger Position Shown)

A Helper for the Helper!

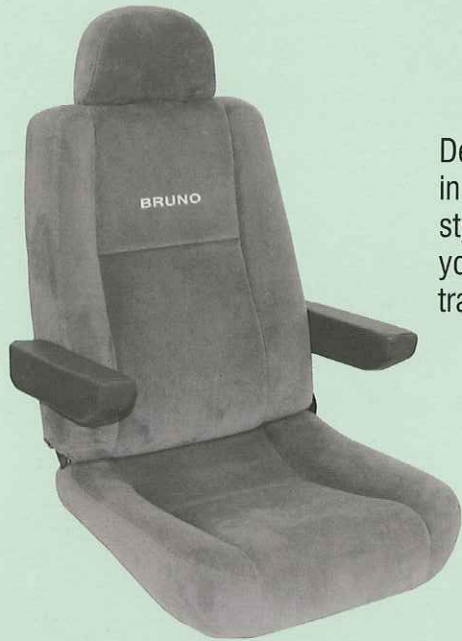

Caregivers marvel at how the Turnout® rotates the seat over the door sill, bridging the gap for an easier transfer.

Ask your authorized Bruno dealer to see the TAS DVD today!

Bruno Seats

Bruno seats are always recommended for use with Turning Automotive Seating™ (TAS™) systems. Not only do they comply with Federal Motor Vehicle Safety Standards, including crash testing, but their use ensures that you will preserve the resale value of your vehicle. Trying to modify your vehicle's seat may compromise your safety and virtually dictates the need to purchase another seat at resale time. Bruno's specially designed, low profile seats are manufactured by leading automotive seating companies for optimal riding height, safety and comfort.

LP Seat

Designed with upholstery to blend in with your vehicle interior, this stylish automotive seat will provide you with safety and comfort during travel.

Lift-Up[®] Seat

Lift-Up[®] Seat (TAS-5001)
First Row Passenger Side Position

Exclusively for 2004 or newer Toyota Sienna[®] minivans, this seat is fully powered by a single button on a hand-held pendant and rotates then lowers to the desired height for easy access. Complemented by a fully reclining Sienna factory seat with integrated footrest and custom matching shrouds, **the Lift-Up[®] Seat is available in both first row and second row passenger side positions.**

Compact Lift-Up[®] Seat

Compact Lift-Up[®] Seat (TAS-5301)
First Row Passenger Side Position

An engineering marvel, the Compact Lift-Up Seat utilizes five separate electric motors to provide an array of powered functions: forward/aft seat movement; rotation/raising and lowering outside the vehicle; and seat recline. The seat is even automatically programmed to recline as it passes through the door opening, providing extra headroom. Designed for the first row passenger position of select small SUVs and crossovers; the Compact Lift-Up Seat comes in a standard black fabric, but is also available with optional fabrics and leather.

Ask your authorized Bruno dealer to see the "Lift-Up Seat and Compact Lift-Up Seat" DVD today!

For more information on these products please refer to Bruno's "Compact Lift-Up[®] Seat & Lift-Up[®] Seat" Brochure.

Carony™

An automotive seat that becomes a wheelchair! No more lifting, no more arduous transfers. This is truly a caregiver's delight. With the use of a Turnout® or Turny™, the Carony™ transportation system provides safe road travel using an automotive seat belt for securement. Simple transformation to a wheelchair, as the seat and end-user glide onto the sturdy Carony base, means a better life for caregivers and end-users alike!

Ask your authorized Bruno dealer to see the Carony DVD today!

For more information on this product please refer to Bruno's Carony™ Brochure.

Interior Platform Lift*

Joey™ Interior Platform Vehicle Lift

Joey – The Standard For Excellence

With powerful, proven performance, and a design that could almost grace an art museum, Joey delivers convenience, simplicity and strength every time it's used.

A Drive On/Drive Off **platform**, with a special coating for increased traction, and adjustable wheel chocks on either side of a center pocket, allows the Joey to accommodate virtually any scooter or powerchair, including today's popular mid-wheel drive versions.

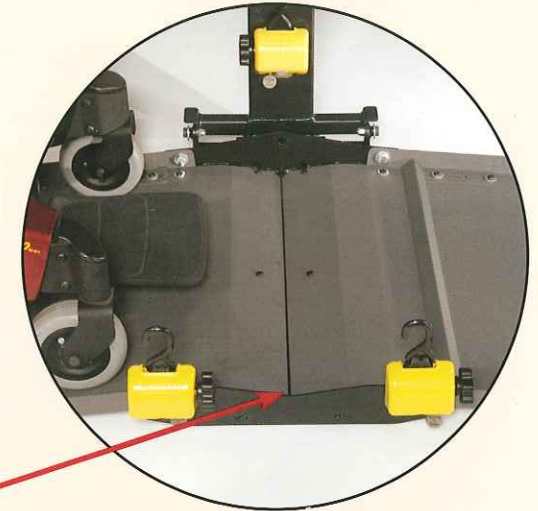

One button operation, **small footprint** – maintaining 2nd row seating – and a **fast cycle** time to load/unload, makes the Joey a joy to use!

Safety is a Passion at Bruno. The Joey has been dynamically tested to Federal Motor Vehicle Safety Standard 208S simulated crash loads. A solid and precise **Guide Pin** system provides alignment and stability. Joey handles loads up to **350 lbs/159 kg**.

Joey works with every type of m

Stay mobile. Stay comfortable.
And stay safe. All with A&J conversions for people with disabilities.

Independence

Just tell us what your special needs are. We'll make informed suggestions and work with you to adapt and customize your vehicle to meet your requirements. Each conversion is completed with full appreciation for the lifestyle of the owner, whether your adventures include vacationing, antiquing, or simply driving along in the great outdoors.

Confidence

From wheelchair lifts to hand controls, from mobility transfer seats to steering devices and more, you can feel confident. Our professional staff can install and service whatever mobility equipment you need for years of trouble-free use. All equipment is crafted with unrelentless adherence to absolute quality.

Excellence

The quality expectations of an A&J conversion go beyond comfort and appearance to include topnotch performance. The kind of superior performance that meet your special needs. The kind of excellence that fits your lifestyle.

Freedom

There's no greater reward than the freedom and independence that comes from being on the road. With A&J Mobility, you can do just that. Our conversions for people with disabilities are carefully crafted to meet your individual needs, creating an atmosphere of embracing hospitality.

That's the commitment of A&J Mobility. We set out to build the highest quality vehicles for people with disabilities that are safe, reliable, and easy to use. So, you have the satisfaction of a completely gratifying, pleasurable driving experience that fits your needs and lets you stay active. *Enjoy.*

"The people at A&J Mobility are genuinely concerned about getting you into a vehicle that fits your needs. A&J cares about people."
