Members present were: Stu Levitan, Chair; Erica Fox Gehrig, Vice-Chair; Anna Andrzejewski, Lon Hill, David W.J. McLean, and Christina Slattery

### **SUMMARY:**

There was general discussion about the demolition report. The Commission discussed that the Seed Building on the UW campus was a utilitarian building that was part of a larger agricultural campus that was at the edge of Madison. The building should be photographically documented prior to demolition.

### **ACTION:**

**A motion was made by Rummel, seconded by Andrzejewski, to report to the Plan Commission that the Landmarks Commission regrets the loss of historic fabric of the agricultural campus and finds that the building at 1810 Linden Drive has historic value and therefore requests that the building be photographically documented prior to demolition and that the building at 615 Forward Drive has no known historic value. The motion passed by voice vote.**
