

**Vertical elevations of proposed development
looking from Wilson toward Doty Street**

- NOTES:
- 1) Numbers across top correspond to the number references on the layout design from JDS Development LLC
 - 2) Columns 1-4 have been compressed to allow better display the design providing underground parking on multiple levels below Block 88
 - 3) Additional levels may be built above Level 5, but do not include parkign so have not been included here.

Information from JDS Development Design layout provided 08-03-2015
