RE:

Letter of Intent

Conditional Use

Lift Station at 10004, 10202 Mid-Town Road

Dear Mr. Murphy

The following is submitted with plans and application for staff and Plan Commission consideration of approval.

Owner:

City of Madison Engineering Division

City-County Building

210 Martin Luther King Jr. Blvd Madison, WI 53703-3342 Contact: Mark Moder, 261-9250

Project Description:

The City of Madison Engineering Division is planning to install a regional Lift Station 1,000' west of Hidden Hill Drive on the north side of Mid Town Road. The new force main and pump station will relieve the Shady Point Lift Station located at Shady Point Drive and Hidden Hill Drive. The proposed lift station is located at the low point of the 2,667 acre Lower Badger Mill Creek Watershed which consists of lands in the City of Madison as well as portions of the Towns of Middleton and Verona (Attachment A - Lower Badger Mill Drainage Basin). The proposed lift station shall be used to serve approximately the first 1,000 dwelling units to develop beyond what is currently being served by the Shady Point Lift Station. The proposed lift station is considered temporary and will be relieved by Madison Metropolitan Sewerage District at such time as needed (lift station capacity exhausted).

Site Development Area

This proposed lift station will be installed within a City-owned easement 3,431 sf in size. The lift station itself will be subterranean and consist of (2) 8-foot diameter manholes. All that will be visible from Mid Town Road will be the control panel and tops of the (2) 8" diameter manholes, 2 bumper posts, a telemetry antenna and a small 28' x 47' paved area. The appearance of the proposed lift station will be very similar to the existing Lift Station being abandoned located at the southwest corner of Hidden Hill Drive and Shady Point (Shady Point Lift Station). Landscaping improvements will include three Service Berry trees east of the proposed Lift Station as well as 1 Hackberry tree just west of it. The intent of the plantings is to provide screening for the homes in vicinity of the Lift Station Site. The current land use is agriculture cropland

Project Schedule:

It is anticipated that construction will begin in July and be completed by year end.

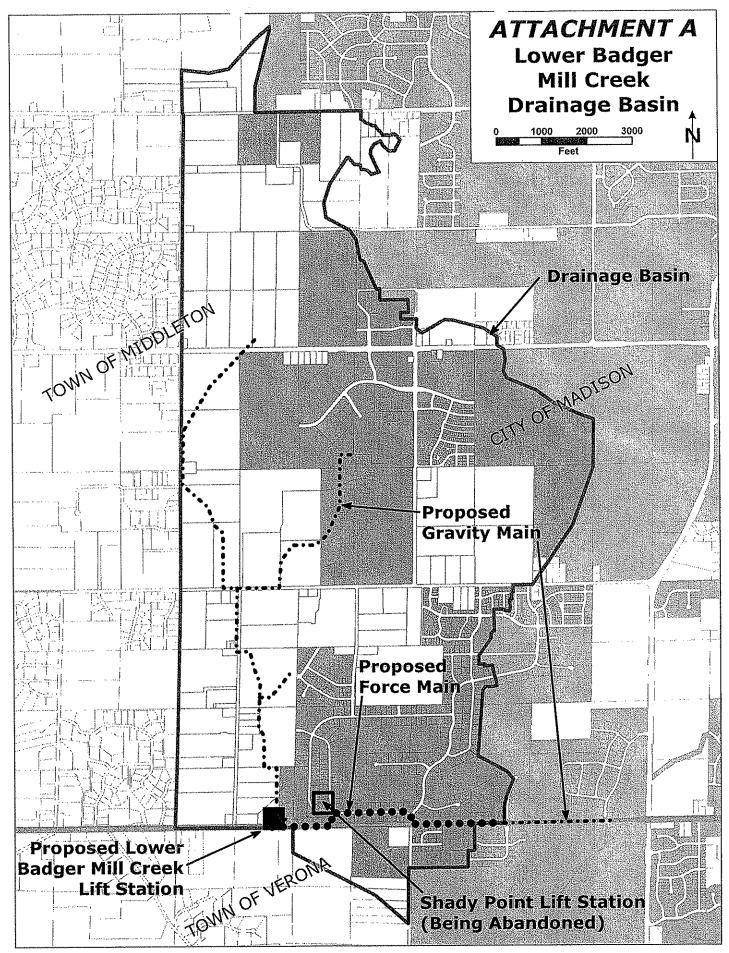

If you have any questions, feel free to contact Mark Moder of my staff at 608-261-9250. Thank you for consideration of this approval.

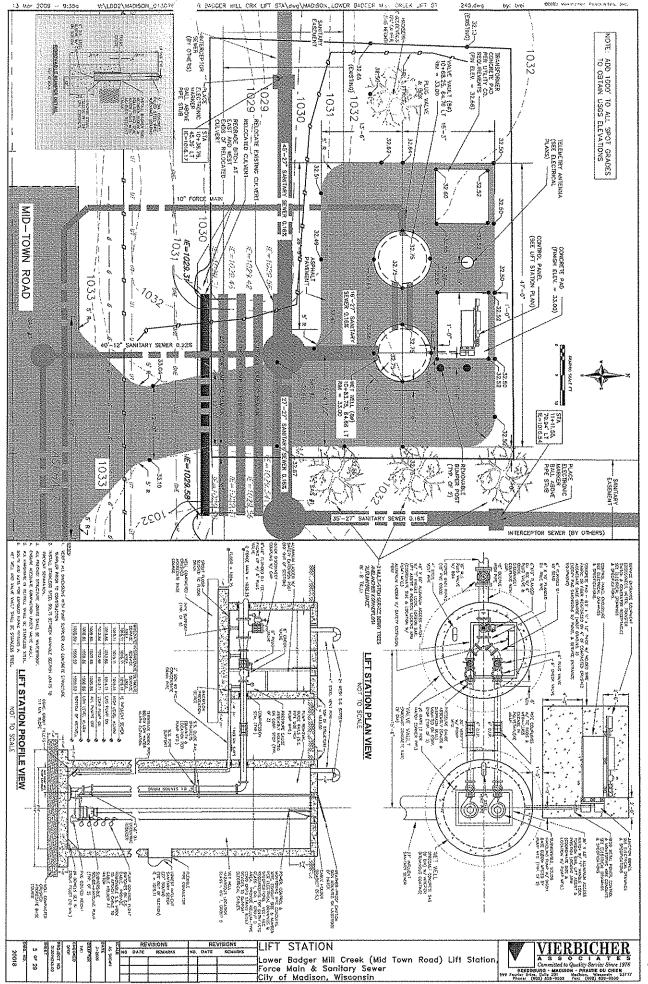

Sincerely,

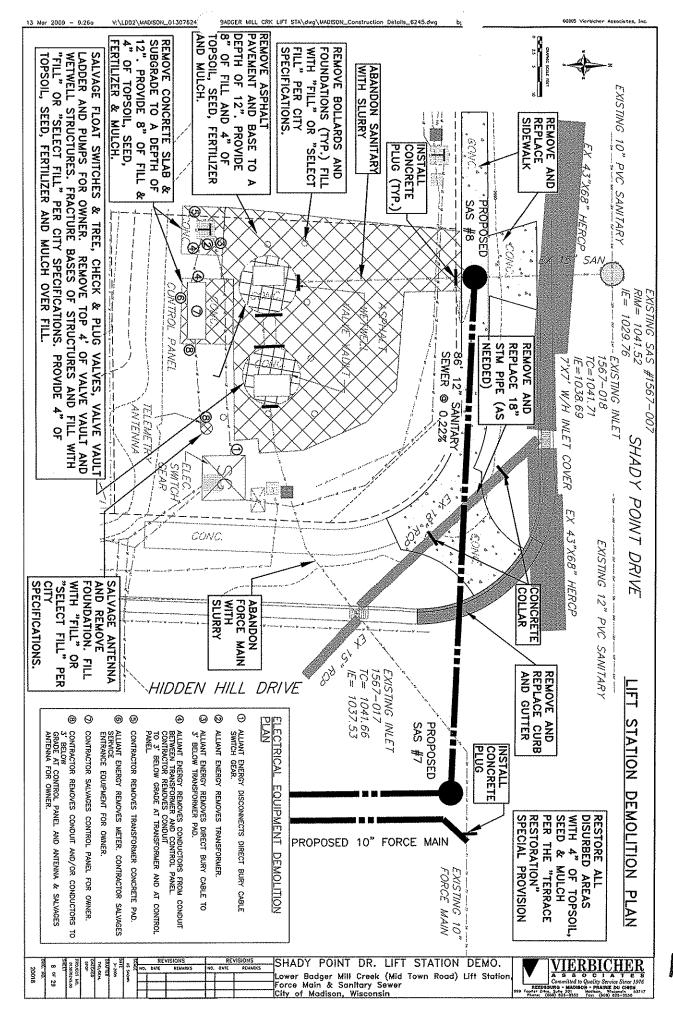

Larry D. Nelson, P.E.

City Engineer

PUBLIC SANITARY SEWER and LIFT STATION EASEMENT

Dorothy L. Dreger, and Guy J. Dreger and Laura S. Dreger, Trustees of the Guy J. and Laura S. Dreger Living Trust(collectively the "Owner"), being the owner of the property hereinafter described, in consideration of the sum of Sixty Nine Thousand Three Hundred and no/00 Dollars (\$69,300.00) grants and conveys to the City of Madison, a Wisconsin municipal corporation, located in Dane County, Wisconsin (the "City"), its successors and assigns, a permanent easement for public sanitary sewer and lift station purposes ("Easement"), including, but not limited to, the right of ingress and egress; the right to excavate, install, operate, maintain, repair, replace and modify the sanitary sewer and lift station facilities and improvements (the "Facilities"); and the right to perform all work incidental thereto in the Owner's parcel described in attached Exhibit A and depicted on attached Exhibit B (the "Easement Area").

City of Madison Economic Development Division PO Box 2983 Madison, WI 53701-2983

Tax Parcel No.: 251-0708-333-0097-7

251-0708-324-0099-2

The Easement is subject to the following conditions:

- Construction, Restoration, Repair and Maintenance.
 - The work of construction, repair and maintenance by the City shall be done and completed in a good and professional manner at the sole expense of the City and shall be performed in such a manner as in no way to interfere with or endanger the use of the Easement Area. In all cases, the City shall be responsible for following all applicable ordinances, codes, statutes, and laws, and obtaining all permits required for any construction, repair or maintenance activity.
 - All areas affected by the work of the City shall be promptly restored to original grade and vegetation or surface condition, including repair or replacement of pavement and concrete, by and at the expense of the City after completion of said work (or as soon thereafter as weather reasonably permits) and in a manner satisfactory to the Owner.
 - Following the installation of the Facilities and final grading of the Easement Area, no grade change to the Easement Area shall be made by the Owner without the prior written approval of the City's Engineer.
 - No above-ground improvements shall be located in the Easement Area by either party, with the exception that grates, sewer access structure (SAS) covers, and other access points to the Facilities shall be permitted at grade level; and above-ground facilities located in the Lift Station Easement area including, but not limited to, control panel(s), electronic switch gear cabinet(s), telemetry antenna, and vent(s).
- Reservation of Use by Owner. The Owner reserves the right to use and occupy the Easement Area 2. in a manner consistent with the rights herein conveyed, provided that such use and occupancy shall not interfere with or disturb the installation, operation, maintenance, repair, replacement and/or modification of any Facilities located therein.
- Landscaping by Owner. Plantings and landscaping within the Easement Area shall not obstruct routine maintenance by the City. In the event of repair or reconstruction, plantings and landscaping may be removed by the City without replacement or compensation to the Owner.
- Compliance. The City and the Owner shall comply with all applicable laws, including, but not limited to, any laws, standards, regulations, or permit requirements relating to environmental pollution or contamination or to occupational health and safety.

- Amendment. This Easement may not be amended, modified, terminated, or released without the written consent of all the parties hereto, or their respective successors-in-interest.
- Binding Effect. The rights and easement granted herein shall be deemed to be covenants running
 with the land and shall inure to the benefit of and shall be binding upon the parties hereto and their
 respective successors and assigns.
- Applicable Law. This Easement shall be construed in accordance with the laws of the State of Wisconsin.
- 8. Severability. If any term or provision of this Easement is held to be invalid or unenforceable by a court of competent jurisdiction, then such holding shall not affect any of the remaining terms and provisions of this Easement and the same shall continue to be effective to the fullest extent permitted by law.
- 9. Public Record. This Easement will be recorded at the office of the Dane County Register of Deeds.

TOGETHER WITH a Temporary Limited Easement ("TLE") over the following described property (the "Easement Area"):

This TLE is subject to the following conditions:

- The purpose of this TLE is to allow the City to perform sloping and grading on lands located outside
 of the new right-of-way at 10922/11002 Mid Town Road, in association with the construction of said
 Facilities, pursuant to City of Madison Engineering Project No. 53W0196.
- The City's use of the TLE shall be for construction, sloping and grading purposes including, but not limited to, the right of ingress and egress, the right to operate necessary equipment thereon, and the right to preserve, protect, remove or plant thereon any vegetation that the City may deem desirable to prevent erosion of the soil.
- Construction shall be performed and completed in a good and workmanlike manner and shall not interfere with or endanger the use of the abutting land owned by the Owners.
- 4. The City will promptly restore the Easement Area after completion of the construction and/or grading of the Easement Area (or as soon thereafter as weather reasonable permits) and in a manner satisfactory to the Owners.
- The Owners reserve the right to use and occupy the Easement Area in a manner consistent with the rights conveyed herein, provided that such use and occupancy shall not interfere with or disturb the construction and/or grading of the Easement Area.
- This TLE shall terminate upon the earlier of: (a) completion of the construction described in City of Madison Engineering Project No. 53W0196, or (b) December 31, 2009; unless mutually extended by the parties.

Any person named in this Easement may make an appeal from the amount of compensation within six (6) months after the date of recording of this Easement as set forth in s. 32.05(2a) Wisconsin Statutes. For the purposes of any such appeal, the amount of compensation stated on this Easement shall be treated as the award, and the date this Easement is recorded shall be treated as the date of taking and the date of evaluation.
