**Comments:** This is Shelley Kennedy with Knuckleheads CBD and Vapes. Michael, the owner of the store, specifically wanted to address the issue of the city not allowing us to erect an umbrella to shelter employees from the sun, and to see how we can come to a consensus on the use of an umbrella for the specific purpose of protecting our employees from the sun while vending on the sidewalk. I understand this is an unprecedented issue, and would like the city to formally review their request to allow an umbrella to protect our employees from the sun during the times we are set-up and vending on the sidewalk.

**MISCELLANEOUS**

- Koi Sushi received a written warning for Extended Delivery.
- 1/14/19 we held our annual drop-in Online Application Assistance Day. 8 vendors attended and 17 licenses were applied for. We had a Spanish interpreter and an IT staff present during the day. We had one vendor come in to learn more about starting a food cart. Spanish was their primary language, and it was very helpful to have the interpreter on site to assist with the meeting.
- Future items for discussion:
  - Mobile Retail and Services
  - Late Night Vending Program Updates
  - Merchant Vending + Sidewalk Café + Experience
  - Art & Craft Ordinance and Regulations updates
    - Focus group of currently licensed Art and Craft vendors will be held on 2/19/2020 from 3p-4:30p.
- License applications are coming in. As of 1/16/20 we have received about 80 applications.
