To Whom It May Concern,

I am writing on behalf of F.O.S.T.E.R OF Dane County to offer our full support and appreciation for Hayes Place as a valuable community event space in Madison. Our organization has had the opportunity to partner with Hayes Place to host a Mother's Day Brunch and a recurring monthly Sunday Fun Day for Madison residents aged 60 and older.

What makes Hayes Place especially meaningful to us is their generous commitment to the community. They have donated their space to us at no cost for these events. This has allowed us to provide inclusive, engaging outings for older adults without the financial strain of rental fees, helping us serve more people and create a welcoming environment for all.

The space is comfortable, accessible, and well-suited for community gatherings. The staff at Hayes Place are thoughtful, professional, and genuinely dedicated to ensuring each event runs smoothly. Their support has played a major role in the success of our events.

The Mother's Day Brunch was a joyful and memorable event for many families, and our monthly Sunday Fun Day continues to offer meaningful opportunities for elders in our community to get out, connect, socialize, and enjoy time together.

We are deeply grateful for the generosity of Hayes Place and wholeheartedly support their business as a trusted venue for community centered events in Madison.
