2. Under the provisions of Section 66.0621 of the Wisconsin Statutes, as amended (the “**Act**”), the Municipality may, by action of the Governing Body, provide for, among other things, the acquisition, construction, extension, improvement, operation, and management of the System, and the refunding of municipal obligations issued for such purposes, from the proceeds of obligations that are payable solely from the income and revenues derived from the operation of the System.

3. The Municipality has previously authorized, sold, and issued its \$27,185,000 Water Utility Revenue Bonds, Series 2007, dated December 1, 2007 (the “**Series 2007 Bonds**”), pursuant to a resolution adopted by the Governing Body on November 6, 2007 (the “**2007 Resolution**”). The Governing Body authorizes the Bonds and orders that they be prepared, executed, and issued. The Bonds will be fully registered, negotiable, water utility revenue bonds of the Municipality in the principal amount of \$21,095,000. The Bonds will be issued under the provisions of the Act to pay the costs of the Project and the expenses of issuing the Bonds (including, but not limited to, printing costs, financial consultants, bond counsel, rating agencies, any bond insurance, and registration).

Section 4. Terms of Bonds.

The Bonds will be named “City of Madison, Wisconsin Water Utility Revenue Bonds, Series 2012.” The Bonds will be dated the Original Issue Date, even if they are actually executed or issued on another date. Each Bond will also be dated the date on which it is authenticated by the Fiscal Agent. That date is its registration date.

The face amount of each Bond will be \$5,000 or any multiple thereof up to the principal amount authorized for that maturity.

The Bonds will bear interest from the Original Issue Date. Interest on the Bonds will be payable on each January 1 and July 1 until the principal of the Bonds has been paid, beginning on July 1, 2013. Interest on each Bond will be (i) computed on the basis of a 360-day year of twelve 30-day months and (ii) payable to the entity or person in whose name the Bond is registered on the Bond Register at the end of the day on the applicable Record Date. The Bonds will be numbered consecutively as may be required to comply with any applicable rules or customs or as determined by the Municipal Officers executing the Bonds.

The following table shows when the Bonds will mature and the rate of interest each maturity will bear:

Section 5. Fiscal Agent.

The Municipality appoints the Fiscal Agent to act as paying agent and registrar for the Bonds. The appropriate officers of the Municipality are directed to enter into a contract with the Fiscal Agent on behalf of the Municipality. The contract may provide for the Municipality to pay the reasonable and customary charges of the Fiscal Agent for those services. The contract must require the Fiscal Agent to comply with all applicable federal and state regulations. Among other things, the Fiscal Agent must maintain the Bond Register.

Section 6. Appointment of Depository.

The Municipality appoints DTC to act as securities depository for the Bonds. An authorized representative of the Municipality has previously executed a blanket issuer letter of representations with DTC on the Municipality's behalf, and the Municipality ratifies and approves that document.

Section 7. Book-Entry System.

On their date of issuance, the Bonds will be registered in the name of DTC or its nominee and maintained in a Book-Entry System. If the Municipality's relationship with DTC is terminated, then the Municipality may appoint another securities depository to maintain the Book-Entry System.

The Municipality may decide at any time not to maintain a Book-Entry System. If the Municipality decides not to maintain a Book-Entry System, then it will do the following:

- (i) At its expense, the Municipality will prepare, authenticate, and deliver to the beneficial owners of the Bonds fully registered certificated Bonds in the denomination of \$5,000 or any multiple thereof in the aggregate principal amount then outstanding. The beneficial owners will be those shown on the records of the Depository and its direct and indirect participants.
- (ii) The Municipality will appoint a fiscal agent to act as paying agent and registrar under Section 67.10 (2) of the Wisconsin Statutes (the Fiscal Agent may be reappointed in this capacity).

Section 8. Redemption.

The Bonds maturing on and after January 1, 2023 are subject to redemption before their stated maturity dates, at the Municipality's option, in whole or in part, in the order of maturity selected by the Municipality, on January 1, 2022 and on any date thereafter. The redemption price will be 100% of the principal amount redeemed, plus accrued interest to the redemption date, and no premium will be paid. If less than all outstanding principal amount of a specific maturity is redeemed, then the Bonds will be redeemed in \$5,000 multiples in accordance with Sections 9 and 10 of this resolution.

Section 9. Payment of Bonds/Transfers/Redemption Notices Under Book-Entry System.

So long as the Bonds are being maintained in a Book-Entry System, the following provisions apply:

Payment. The Fiscal Agent is directed to pay the principal of, and interest on, the Bonds by wire transfer to the Depository or its nominee in accordance with the Depository's rules that are then in effect.

Transfers. The Bonds are transferable, only upon the Bond Register and only if the Depository ceases to act as securities depository for the Bonds and the Municipality appoints a successor securities depository. If that happens, then upon the surrender of the Bonds to the Fiscal Agent, and in exchange for the surrendered Bonds and upon the payment of a charge sufficient to reimburse the Fiscal Agent for any tax, fee, or other governmental charge required to be made with respect to such registration, the Municipality will issue new fully registered Bonds in the same aggregate principal amounts to the successor securities depository, and the Bonds will be recorded as transferred to the successor securities depository in the Bond Register.

The Fiscal Agent will not be required to make any transfer of the Bonds (i) during the 15 calendar days before the date of the sending of notice of any proposed redemption of the Bonds or (ii) with respect to any particular Bond, after such Bond has been called for redemption.

Partial Redemption. If less than all the principal amount of a specific maturity is to be redeemed, then the Depository and its direct and indirect participants will randomly select the beneficial owners of the Bonds to be redeemed. If a Bond has been called for redemption but

less than all the principal amount of a specific maturity is redeemed, then on the redemption date, upon surrender of the Bond, the Municipality will issue one or more new Bonds in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Bonds will be sent to the Depository, in the manner required by the Depository, not less than 30, and not more than 60, days before the proposed redemption date. A notice of redemption may be revoked by sending notice to the Depository, in the manner required by the Depository, not less than 15 days before the proposed redemption date.

Accrual of Interest. If payment of a Bond called for redemption has been made or provided for, then interest on the Bond stops accruing on the stated redemption date.

Bond Register. The Municipality, the Fiscal Agent, and any alternate fiscal agent may treat the entity or person in whose name any Bond is registered on the Bond Register as the absolute owner of the Bonds for all purposes whatsoever under this resolution.

Section 10. Payment of Bonds/Transfers/Redemption Notices Not Under Book-Entry System.

If at any time the Bonds are *not* being maintained in a Book-Entry System, then the following provisions apply:

Payment. The Fiscal Agent will pay the principal of each Bond upon its presentation and surrender on or after its maturity or earlier redemption date at the designated office of the Fiscal Agent, and the Fiscal Agent will pay, on each interest payment date, the interest on each Bond by wire or other electronic transfer or by check of the Fiscal Agent sent by first class mail to the person in whose name the Bond is registered on the Bond Register at the end of the day on the applicable Record Date.

Transfers. Each Bond is transferable, only upon the Bond Register, for a like aggregate principal amount of the same maturity and interest rate in denominations of \$5,000 or any multiple thereof. A transfer may be requested by the registered owner in person or by a person with a written power of attorney. The Bond must be surrendered to the Fiscal Agent, together with a written instrument of transfer satisfactory to the Fiscal Agent signed by the registered owner or by the person with the written power of attorney. The Fiscal Agent will issue one or more new fully registered Bonds in the same aggregate principal amount to the transferee or transferees, as applicable, in exchange for the surrendered Bonds and upon the payment of a charge sufficient to reimburse the Municipality or the Fiscal Agent for any tax, fee, or other governmental charge required to be paid with respect to such registration.

The Fiscal Agent will not be required to make any transfer of the Bonds (i) during the 15 calendar day period before the date of the sending of notice of any proposed redemption of the Bonds or (ii) with respect to any particular Bond, after the Bond has been called for redemption.

Partial Redemption. If less than all the principal amount of a specific maturity is to be redeemed, then the Municipality will randomly select the Bonds to be redeemed. If a Bond

has been called for redemption but less than the entire principal amount of a specific maturity is redeemed, then on the redemption date, upon surrender of the Bond, the Municipality will issue one or more new Bonds in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Bonds must be sent by first class mail, not less than 30, and not more than 60, days before the proposed redemption date, to the registered owners of the Bonds to be redeemed. A notice of redemption may be revoked by sending a notice by first class mail not less than 15 days before the proposed redemption date to the registered owners of the Bonds which have been called for redemption.

Accrual of Interest. If payment of a Bond called for redemption has been made or provided for, then interest on the Bond stops accruing on the stated redemption date.

Bond Register. The Municipality, the Fiscal Agent, and any alternate fiscal agent may treat the entity or person in whose name any Bond is registered on the Bond Register as the absolute owner of the Bond for all purposes whatsoever under this resolution.

Section 11. Form of Bonds.

The Bonds must be in substantially the form shown in Exhibit A. Omissions, insertions, or variations are permitted if they are deemed necessary or desirable and are consistent with this resolution or any supplemental resolution.

Section 12. Execution of Bonds.

The Bonds must be signed by the persons who are the Municipal Officers on the date on which the Bonds are signed. The Bonds must be sealed with the Municipality's corporate seal (or a facsimile thereof), if the Municipality has one, and they must also be authenticated by the manual signature of an authorized representative of the Fiscal Agent.

The Bonds will be valid and binding even if before they are delivered any person whose signature appears on the Bonds is no longer living or is no longer the person authorized to sign the Bonds. In that event, the Bonds will have the same effect as if the person were living or were still the person authorized to sign the Bonds.

A facsimile signature may be used as long as at least one signature of a Municipal Officer is a manual signature or the Fiscal Agent's certificate of authentication has a manual signature. If a facsimile signature is used, then it will be treated as the officer's own signature.

Section 13. Continuing Disclosure.

The appropriate officers of the Municipality are directed to sign the Continuing Disclosure Agreement, and the Municipality agrees to comply with all its terms.

Section 14. Payable Solely From Revenues.

The Bonds and any Parity Bonds, together with interest thereon, shall be payable only from the Special Redemption Fund as provided in this resolution and shall be a valid claim of the registered owners thereof only against the Special Redemption Fund and the revenues

pledged to such fund, on a parity and equality of rank with the Outstanding Bonds. Sufficient revenues are hereby pledged to the Special Redemption Fund and shall be used for no purpose other than to pay the principal of, and interest on, the Outstanding Bonds, the Bonds, and any Parity Bonds as the same shall become due. The Bonds, the Outstanding Bonds, and any Parity Bonds, together with the interest thereon, shall not constitute an indebtedness of the Municipality within the meaning of any constitutional or statutory limitation or provision and shall not constitute a general obligation of the Municipality or a charge against its general credit or taxing power.

Section 15. Pledge.

The Municipality pledges the Net Revenues to the Special Redemption Fund to pay the principal of, and interest on, the Bonds, the Outstanding Bonds, and any Parity Bonds as provided in this resolution. Such revenues will be used for no purpose other than to pay the principal of, and interest on, the Bonds, the Outstanding Bonds, and any Parity Bonds on the dates on which such amounts are due.

Section 16. Equality of Lien.

The Bonds, all Outstanding Bonds, and any Parity Bonds, regardless of issue dates, maturity dates, or series designations, will be secured equally by the pledge of the Net Revenues and all amounts in the Special Redemption Fund.

Section 17. No Senior Bonds; Parity Bonds.

The Municipality will issue no bonds or other obligations payable from the revenues of the System, or enjoying a lien on the revenues or property of the System, that have a priority over the Bonds with respect to their payment or security, except as otherwise permitted in Section 21(a) of this resolution, and the Municipality may issue Parity Bonds on the terms and conditions set forth in Sections 21(b) and (c) of this resolution.

Amounts held in the Reserve Account will be used to pay principal of, or interest on, the Bonds, the Outstanding Bonds, or any Parity Bonds at any time when amounts in the Interest and Principal Account and the Earnings Account are insufficient to make such payments.
- (4) Water Utility Depreciation Fund (the “**Depreciation Fund**”), which will be used to hold amounts expected to be used to pay for repairs, replacements, extensions, or additions to the System, provided that amounts in the Depreciation Fund can be used for any such purpose only if such amounts are not needed to make up any deficiency in the Interest and Principal Account or the Reserve Account.
- (5) Water Utility Surplus Fund (the “**Surplus Fund**”), amounts in which will be used for the purposes described in Section 19(c)(4) of this resolution.
- (6) 2012 Water Utility Construction Fund (the “**2012 Construction Fund**”), amounts in which will be used to pay (i) the costs of issuing of the Bonds and the Project or (ii) interest on the Bonds at any time when there shall be insufficient money in the Special Redemption Fund for that purpose. Any balance remaining in the 2012 Construction Fund after the completion of the Project must be transferred to the Earnings Account.

(b) **Limitation on the Use of Amounts in the Funds and Accounts.**

Amounts held in the Funds and Accounts must be used only for the purposes described in this resolution.

(c) **Requirement to Maintain the Special Redemption Fund as a Separate Fund.**

The Special Redemption Fund must be maintained as a separate fund either in the treasury of the Municipality or with a trustee. The other Funds and Accounts may be combined in a single investment or bank account.

(d) Investment of Amounts held in Funds and Accounts.

Amounts in the Funds and Accounts may be invested in any manner permitted by the laws of Wisconsin, subject to the following limitations:

- (i) The investments in each Fund or Account must be sold whenever necessary to provide funds for the purposes for which the Fund or Account was created.
- (ii) No investment may be purchased or retained if the purchase of the investment or its retention would cause any Bond to be an “arbitrage bond” (within the meaning of Section 148 of the Code or the Treasury Regulations promulgated thereunder).
- (iii) All investments held in the Funds and Accounts must be secured to the fullest extent required by the laws of Wisconsin.

(e) Required Transfers of Earnings on Certain Funds and Accounts.

All income from the investment of amounts in the Special Redemption Fund must be transferred to the Earnings Account. All income from the investment of amounts in any construction fund funded with proceeds of the Bonds, the Outstanding Bonds, or any issue of Parity Bonds must be retained in the 2012 Construction Fund. All income from the investment of amounts in the Depreciation Fund must be deposited in the Depreciation Fund. All income from the investment of amounts in all other Funds and Accounts must be transferred to the Revenue Fund and regarded as revenues of the System.

(f) Rebate Matters.

To comply with the rebate requirements of Section 148(f) of the Code and the related Treasury Regulations:

- (i) The Municipality must cause a determination to be made of the amount, if any, of rebate required to be paid with respect to the Bonds and any Parity Bonds to the United States Treasury at least every five years (as of the anniversary date of the issuance of the Bonds and any Parity Bonds) and upon the retirement of the last Bond. The Municipality may engage Bond Counsel or another qualified rebate determination provider to prepare the determination and may pay reasonable compensation to the provider for the performance of such services.
- (ii) The Municipality must make required rebate payments to the United States Treasury with respect to the Bonds and any Parity Bonds at such times and in such amounts and manner as are required by the Code and the related Treasury Regulations.
- (iii) The Municipality must keep records of the rebate determinations prepared and rebate payments made until three years after the

April 15th of the calendar year immediately following the date of the retirement of the last Bond or Parity Bond, as applicable.

Section 19. Application of Revenues.

(a) Deposits to Revenue Fund and Transfers From Revenue Fund.

Until all Bonds, Outstanding Bonds, and Parity Bonds, if any, have been retired, or until there is on deposit in the Special Redemption Fund an amount sufficient to provide for the payment of the principal of all Bonds, Outstanding Bonds, and Parity Bonds, if any, together with the interest thereon to maturity, the Gross Revenues must, to the extent permitted by law, be deposited as collected in the Revenue Fund and must be transferred from the Revenue Fund and deposited in the Operation and Maintenance Fund, the Special Redemption Fund, the Depreciation Fund, and the Surplus Fund in the following order:

- (1) A sum sufficient of the money in the Revenue Fund for the purposes of the Operation and Maintenance Fund must be deposited in the Operation and Maintenance Fund.
- (2) A sum sufficient of the money in the Revenue Fund for the purposes of the Special Redemption Fund must be deposited in the Special Redemption Fund.
- (3) A sum sufficient of the money in the Revenue Fund for the purposes of the Depreciation Fund must be deposited in the Depreciation Fund until there is on hand in the Depreciation Fund an amount equal to \$750,000.
- (4) The remainder of the money in the Revenue Fund must be deposited in the Surplus Fund.

Transfers from the Revenue Fund to the Operation and Maintenance Fund, the Special Redemption Fund, the Depreciation Fund, and the Surplus Fund must be made in the order indicated above, at such times as are necessary to carry out the purposes of the respective funds.

(b) Transfers to the Special Redemption Fund.

The Governing Body intends that the amount of money deposited in the Special Redemption Fund from all sources will be sufficient (i) to pay the interest on the Bonds, the Outstanding Bonds, and any Parity Bonds as the same becomes due, (ii) to retire the Bonds, the Outstanding Bonds, and any Parity Bonds at maturity, and (iii) to provide for any required monthly deposits to the Reserve Account.

(c) **Transfers Among Certain Funds and Accounts; Uses of Amounts in Funds and Accounts.**

Amounts deposited in the following Funds and Accounts must be held, used, or transferred as follows:

- (1) *Operation and Maintenance Fund.* Amounts deposited in the Operation and Maintenance Fund must be used for the purposes described in Section 18(a)(2) of this resolution, unless the balance in the Operation and Maintenance Fund exceeds the estimated operating and maintenance expenses of the System for the next succeeding ninety (90) days, in which case the excess amount must (i) be transferred to the Special Redemption Fund to remedy any deficiency in the Special Redemption Fund, and (ii) if or to the extent that no such deficiency exists, then the remaining excess amount may be transferred to the Surplus Fund.

- (2) *Interest and Principal Account and Earnings Account.* Amounts deposited in the Special Redemption Fund must first be used to deposit each month into the Interest and Principal Account an amount equal to one-sixth (1/6) of the next installment of interest due on the Bonds, the Outstanding Bonds, and Parity Bonds then outstanding, plus an amount equal to one-twelfth (1/12) of the next installment of principal of the Bonds, the Outstanding Bonds, and Parity Bonds coming due, until the full amount of such installments is on deposit in the Interest and Principal Account. The deposits must be made first from the Earnings Account until it is depleted, and all moneys in the Earnings Account will be deemed to have been used first in payment of interest on the Bonds, the Outstanding Bonds, and Parity Bonds. Any funds remaining in the Earnings Account after each such transfer must first be transferred to the Interest and Principal Account until there is on hand in the Interest and Principal Account an amount equal to the full amount of interest and principal coming due on the Bonds, the Outstanding Bonds, and any Parity Bonds then outstanding during the 12 months following the date of such transfer and after that either (i) be used to retire the Bonds, the Outstanding Bonds, or Parity Bonds in advance of maturity by redemption or by purchase of such bonds on the open market or an invitation and receipt of tenders of the lowest dollar price or prices obtainable, but not exceeding the lowest price at which such bonds could be redeemed on the next succeeding redemption date or (ii) be invested so as to restrict the yield thereon to avoid the Bonds, the Outstanding Bonds, or Parity Bonds being classified as “arbitrage bonds” within the meaning of Section 148 of the Code or any Treasury Regulations promulgated thereunder. Notwithstanding the foregoing, unless the Municipality is provided with an opinion of Bond Counsel that the action specified below will not adversely

affect the exclusion of interest on the Bonds, the Outstanding Bonds, or the applicable issue of Parity Bonds from gross income for federal income tax purposes, (A) moneys in the Earnings Account that are allocable to “proceeds” (within the meaning of Treas. Reg. § 1.148-1(b)) of the Bonds, the Outstanding Bonds, or any issue of Parity Bonds may only be deposited in the Interest and Principal Account if such moneys will be used to pay principal of, or interest on, the issue to which such proceeds are allocable, and (B) no moneys that are allocable to proceeds of the Bonds, the Outstanding Bonds, or any issue of Parity Bonds may be used to pay principal of, or interest on, obligations that are not part of the issue to which the proceeds are allocable.

- (3) *Reserve Account.* The next available amounts in the Special Redemption Fund must be used to make monthly transfers to the Reserve Account until there is on hand in the Reserve Account an amount equal to the Minimum Reserve Amount. Amounts in the Reserve Account must be used whenever necessary to pay principal of, or interest on, the Bonds, the Outstanding Bonds, and Parity Bonds whenever the Interest and Principal Account and the Earnings Account are insufficient for that purpose. Any amounts in the Reserve Account in excess of the Minimum Reserve Amount must be transferred to the Earnings Account. For the purpose of computing the Minimum Reserve Amount, all investments in the Reserve Account shall be valued semiannually, on each interest payment date, at then current market value. In the event that amounts are withdrawn from the Reserve Account or amounts on deposit in the Reserve Account on any valuation date are less than the Minimum Reserve Amount, the Municipality, from revenues of the System, must restore any amounts so withdrawn or any shortfall so that 12 months following such withdrawal or shortfall the amount on deposit in the Reserve Account equals the Minimum Reserve Amount.
- (4) *Surplus Fund.* Amounts in the Surplus Fund must first be used whenever necessary to pay principal of, or interest on, the Bonds, the Outstanding Bonds, and Parity Bonds when the Special Redemption Fund is insufficient for that purpose, and thereafter to remedy any deficiency in any of the Funds or Accounts, or if at the close of any Fiscal Year there is no such deficiency, then such amounts may be disbursed as follows:
 - (i) to retire Bonds, Outstanding Bonds, or Parity Bonds in advance of maturity by redemption or by purchase of such bonds on the open market or an invitation and receipt of tenders at the lowest dollar price or prices obtainable, but not exceeding the lowest price at which such bonds could be redeemed on the next succeeding redemption date; or

- (ii) to rebate payments made by customers of the System pursuant to any plan adopted by the Governing Body of the Municipality; or
- (iii) to the general fund of the Municipality.

All transfers and deposits within any Fund or Account or to any other Fund or Account required or permitted by this section shall be made at such times as are necessary to carry out the purposes of the applicable Fund or Account.

Section 20. Agreements and Covenants Regarding the Operation of the System.

For so long as the Bonds and any Parity Bonds remain outstanding, the Municipality agrees and covenants with each and every registered owner of the Bonds and any Parity Bonds as follows:

- (a) The reasonable cost and value of any service rendered to the Municipality by the System by furnishing utility services, including, but not limited to, fire, police, safety, and health protection, will, to the extent permitted by law, be charged against the Municipality and be paid by it monthly as the service accrues out of the current revenues of the Municipality collected or in process of collection, but not from Gross Revenues, and, if necessary, out of the tax levy of the Municipality made by it to raise money to meet its necessary current expenses.
- (b) The Municipality will faithfully and punctually perform all duties concerning the System required by the constitution and statutes of the State of Wisconsin, including the making and collecting of reasonable, lawful, and sufficient rates for services rendered by the System and the segregation and application of the revenues of the System as provided in this resolution.
- (c) The Municipality will not sell, lease, or in any manner dispose of all, or any part of, the System or any additions or extensions that may be made to the System, until all Bonds and Parity Bonds have been paid in full, both principal and interest, or until provision has been made for the payment in full of all Bonds and Parity Bonds, both principal and interest, unless the property to be sold, leased, or otherwise disposed of has been found by the Governing Body not to be necessary or useful in the operation of the System. The proceeds received from any sale, lease, or disposal of any such property of the System must be paid into (i) the Earnings Account of the Special Redemption Fund, if the property sold was acquired or improved with proceeds of the Bonds, the Outstanding Bonds, or any Parity Bonds that are tax-exempt obligations, or (ii) the Revenue Fund, in all other cases.

- (d) The Municipality will: (i) operate and maintain the System in good condition; (ii) charge and collect such lawfully established rates and charges for the service rendered by the System so that the Gross Revenues will be sufficient to make the payments into the Funds and Accounts created by this resolution and provide for Net Revenues at least equal to 1.25 times the highest combined annual principal and interest requirements on all Bonds, Outstanding Bonds, and Parity Bonds then outstanding; and (iii) promptly take such actions as are necessary to adopt and enforce increased rates whenever such increase shall be necessary to fulfill any covenant of this resolution.
- (e) The Municipality will keep proper books and accounts relating to the System separate from all other records of the Municipality and will cause such books and accounts to be audited annually by a recognized independent firm of certified public accountants and will make available to the owners of any of the Bonds or Parity Bonds the latest balance sheet and the profit and loss statement of the System as certified by such accountants. The registered owners of any Bonds, Outstanding Bonds, or Parity Bonds will have the right to inspect the System and the records, accounts, and data of the Municipality relating to the System at all reasonable times. Each audit of the books and accounts of the System, in addition to whatever matters may be thought proper by the accountants to be included therein, must include the following: (i) a statement in detail of the revenues and expenditures of the System for the Fiscal Year; (ii) a statement of the Net Revenues as herein defined for the Fiscal Year; (iii) a balance sheet as of the end of the Fiscal Year; (iv) the accountants' comment regarding the manner in which the Municipality has carried out the requirements of this resolution and the accountants' recommendation for any changes or improvements in the operation of the System; (v) a list of the insurance policies in force at the end of the Fiscal Year setting out as to each policy the amount of the policy, the risks covered, the name of the insurer, and the expiration date of the policy; and (vi) the number and types of connections at the end of the Fiscal Year.
- (f) The Municipality will carry, for the benefit of the registered owners of the Bonds, the Outstanding Bonds, and Parity Bonds, insurance of a kind and in such amounts as would usually be carried by private companies or other public bodies engaged in operating a similar utility system. All amounts received for losses under any of such insurance policies, except public liability, must be used in repairing the damage or in replacing the property destroyed, unless the Governing Body finds that it is not advisable to repair such damage or replace such property and that the operation of the System will not be impaired if such property is not repaired or such property is not replaced, in which case such amounts shall be deposited in the Earnings Account, provided that any amounts deposited in the Earnings Account must not reduce the amounts otherwise required to be paid into the Special Redemption Fund.

- (g) The Municipality will grant no franchise for the operation of another System (or any part thereof) within the geographic limits of the Municipality, unless the denial of such franchise would be in violation of any law.
- (h) The Municipality will by ordinance or resolution of its Governing Body require all buildings in the Municipality used for human habitation and located adjacent to service from the System, or located in a block through which service from the System extends, to be connected with service from the System.
- (i) The Municipality will not enter into any contract with any person or persons which would cause any Bonds, Outstanding Bonds, or Parity Bonds that were issued with the intent that interest on the issue would be excluded from gross income for federal income tax purposes to become “private activity bonds,” within the meaning of Section 141(a) of the Code or any Treasury Regulations promulgated thereunder.
- (j) The Municipality will comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds, the Outstanding Bonds, or Parity Bonds that were issued with the intent that interest on the issue would be excluded from gross income for federal income tax purposes in order that interest thereon be (or continue to be) excluded from gross income for federal income tax purposes, including, but not limited to the rebate requirements set forth in the Code and the Treasury Regulations. The Municipality will comply with the provisions of the Tax Certificate delivered in connection with the issuance of the Bonds relating to these requirements.

Section 21. Additional Bonds.

The Municipality will issue no notes, bonds, or any other obligations of any kind or nature payable from or enjoying a lien on the Gross Revenues, the Special Redemption Fund, or properties of the System on a parity with or having a priority over the Bonds, except as provided in this Section:

- (a) Notes (including bond anticipation notes) or bonds may be issued having a priority over the Bonds and Parity Bonds if either (i) such notes or bonds are issued, wholly or in part, for the purpose of and will provide an amount sufficient, together with the earnings thereon and all other funds legally available therefor, to pay the entire principal of, and all interest on, the Bonds and Parity Bonds to their maturity or early redemption; or (ii) immediately upon the issuance of such notes or bonds, the Municipality has discharged all the Bonds, the Outstanding Bonds, and Parity Bonds in the manner provided in Section 22 of this resolution.
- (b) Additional notes (including bond anticipation notes) or bonds may be issued on a parity with the Bonds and Parity Bonds if such notes or bonds

are issued for the purpose of refunding any of the Bonds or Parity Bonds which either (i) have matured or (ii) will mature not later than 90 days after the date of delivery of such refunding notes or bonds if there are insufficient amounts in the Special Redemption Fund to provide for the required payments.

(c) Additional notes (including bond anticipation notes) or bonds may be issued on a parity with the Bonds and Parity Bonds if all of the following conditions have been satisfied:

(1) If (A) the Net Revenues for the last completed Fiscal Year were at least equal to 1.25 times the highest combined annual principal and interest requirements on all bonds and notes then outstanding payable from the Gross Revenues (other than bonds being refunded) and the bonds or notes so proposed to be issued for any succeeding Bond Year in which there will be a principal maturity on such outstanding bonds or notes; *provided, however*, that if prior to the authorization of such additional bonds or notes the Municipality has adopted and put into effect a revised schedule of rates, then the Net Revenues for the last completed Fiscal Year which would, in the written opinion of an Independent Consultant employed for that purpose, have resulted from such rates had they been in effect for such period, may be used in lieu of the actual Net Revenues for the last completed Fiscal Year; (B) the need for such financing is evidenced by a certificate or certificates of an Independent Consultant with recognized expertise in utility ratemaking before the Public Service Commission of Wisconsin employed for that purpose, giving a detailed description of the proposed projects to be financed, an estimate of the cost of the proposed projects including proposed capitalized interest, if any, and an estimate of the time of completion of the proposed projects, and showing the feasibility of such financing with reference to projected Net Revenues based on rates and charges projected to be in effect upon completion of such projects; *provided*, that such feasibility shall not be deemed shown unless the projected Net Revenues for each of the two full Fiscal Years next succeeding the estimated date of completion of such projects shall be equal to at least 1.25 times the highest combined annual principal and interest requirements on all bonds and notes then outstanding payable from the Gross Revenues (other than bonds being refunded), and the bonds or notes so proposed to be issued for any succeeding Fiscal Year in which there shall be a principal maturity on such outstanding bonds or notes; or (C) the proceeds of the additional bonds or notes will be used to refund Bonds, Outstanding Bonds, or Parity Bonds, and after giving effect to the refunding, the payments due in each year of the principal and interest on the Bonds, the Outstanding Bonds, and Parity Bonds then outstanding

(not including the obligations being refunded) and the additional bonds or notes proposed to be issued will be less than the payments due in each year of the principal and interest on the Bonds, the Outstanding Bonds, and Parity Bonds then outstanding (in other words, the refunding will produce debt service savings in each year). For purposes of this subsection, except as otherwise provided, Net Revenues for any Fiscal Year will be either (x) the Net Revenues shown in the audit of the System's books and accounts for the Fiscal Year required by Section 20(e) of this resolution, if such an audit is available, or (y) if such an audit is not available, then the estimated, unaudited Net Revenues for the last completed Fiscal Year.

- (2) The payments required to be made into the Funds and Accounts created or continued pursuant to Section 18 of this resolution must be current.
- (3) There must be on hand in the Reserve Account immediately upon the issuance of such additional bonds or notes an amount not less than the Minimum Reserve Amount.
- (4) The additional bonds or notes must be payable as to principal on January 1 of each year and as to interest on January 1 and July 1 of each year.
- (5) The proceeds of the additional bonds or notes must be used only to refund Bonds, Outstanding Bonds, or Parity Bonds, or for acquiring or constructing additions, extensions, improvements, renewals or replacements to the System.

In the case of bond anticipation notes, the provisions of the Act shall govern with respect to all matters relating to the lien and sources of payment of such notes.

Section 22. Discharge and Satisfaction of Bonds and Covenants.

The agreements, covenants, liens, and pledges entered into, created, or imposed pursuant to this resolution may be fully discharged and satisfied with respect to any or all of the Bonds in any one or more of the following ways:

- (a) By paying the Bonds when they become due and payable, or upon their prior redemption in the manner provided in this resolution;
- (b) By depositing with the appropriate fiscal agent(s) for the Bonds funds in the amount necessary, without consideration of any reinvestment thereof, to pay the principal of, and interest on, the Bonds until their maturity or earlier redemption; *provided* that if the Bonds are to be redeemed prior to their stated maturities, then (i) the Bonds must have been irrevocably called for redemption by the Municipality, and (ii) provision must have

been made for the required notice of the redemption in the manner provided in this resolution; *provided, further*, that any such deposit can only be made if the deposit will not adversely affect the exclusion of interest on the Bonds from gross income of the owners thereof for federal income tax purposes; or

- (c) By depositing with a trustee or an escrow agent, in trust for such purpose, on or before the date of maturity or redemption, money and/or direct obligations of, or obligations the principal of, and interest on, which are fully guaranteed by the United States of America, in such amount as, together with the income or increment to accrue thereon without consideration of any reinvestment thereof, will be fully sufficient to pay or redeem (when redeemable) the Bonds at or before their respective maturity dates; *provided*, that if a Bond is to be redeemed prior to its stated maturity date, then (i) the Bond must have been irrevocably called for redemption by the Municipality, and (ii) provision must have been made for the required notice of the redemption in the manner provided in this resolution; *provided, further*, that any such deposit can only be made if the deposit will not adversely affect the exclusion of interest on the Bonds from gross income of the owners thereof for federal income tax purposes.

Upon a payment or a deposit of money or investments in the amount and manner required by this section, all liability of the Municipality with respect to the relevant Bonds will cease, determine, and be completely discharged, and the registered owners of any Bonds that are not then retired will be entitled only to payment out of the money and investments deposited as required by this section.

Section 23. Resolution a Contract; Remedies of Bondowners.

The provisions of this resolution constitute a contract between the Municipality and the registered owners of the Bonds. After the issuance of the Bonds no change or alteration in the provisions of this resolution may be made, except (a) as provided in Section 24 of this resolution, and (b) as provided in the definition of “Fiscal Year” in Section 1 of this resolution.

The registered owners of any of the Bonds will have the right, in addition to all other rights, by mandamus or other suit or action in any court of competent jurisdiction, to enforce their rights against the Municipality, the Governing Body, and any and all officers and agents thereof, including, but not limited to, the right to require the Municipality, the Governing Body, and any other authorized body to fix and collect rates and charges fully adequate to carry out all provisions and agreements contained in this resolution, and the right to have a receiver appointed for the System in the event of a default in the payment of principal of, or interest on, the Bonds.

Section 24. Amendment of Resolution.

Amendment Without the Consent of the Owners. This resolution may be amended from time to time without the consent of the registered owners of the Bonds to make any change

that does not adversely affect the registered owners of the Bonds, including, without limitation, to cure any ambiguities, inconsistencies, or typographical errors that may be contained in this resolution.

Amendment With the Consent of the Owners. This resolution may also be amended from time to time with the written consent of the registered owners of not less than two-thirds in outstanding principal amount of the Bonds (not including any Bonds that are held or owned by or for the account of the Municipality); *provided, however,* this resolution may be amended only with the unanimous written consent of:

- (a) The registered owners of the Bonds:
 - (i) To make any change in the stated maturity date of or interest rate on any Bond; to modify the terms of payment of principal of, or interest on, any Bond; or to impose any conditions with respect to payment of principal of, or interest on, any Bond;
 - (ii) To materially affect the rights of the owners of less than all Bonds then outstanding; or
 - (iii) To reduce the required outstanding principal amount of the Bonds for which consent must be given to effect any future amendments to this resolution; and

- (b) The registered owners of any series of Parity Bonds:
 - (i) To make any change in the stated maturity date of or interest rate on any Parity Bond of the series; to modify the terms of payment of principal of, or interest on, any Parity Bond of the series; or to impose any conditions with respect to payment of principal of, or interest on, any Parity Bond of the series;
 - (ii) To materially affect the rights of the owners of less than all Parity Bonds of the series then outstanding; or
 - (iii) To reduce the required outstanding principal amount of Parity Bonds of the series for which consent must be given to effect any future amendments to this resolution.

Notice. If the Municipality proposes to amend this resolution under any provision of this section, then the Municipality must cause notice of the proposed amendment (the “**Amendment Notice**”) and, if consent is required, a form of consent to the proposed amendment (the “**Consent**”) to be (i) sent by certified mail to all registered owners of the Bonds and, if appropriate, any Parity Bonds and (ii) filed with the Bond Purchaser. The Amendment Notice must briefly describe the nature of the proposed amendment and must state that a copy of the proposed amendment is on file for public inspection in the office of the Recording Officer. The Consent must refer to the proposed amendment, specifically evidence consent to and approval of the proposed amendment, and be dated by the owner of the Bonds and, if appropriate, the Parity

Bonds upon execution of the Consent. The Amendment Notice and Consent may be one instrument.

If at any time prior to one year after the date the Amendment Notice and Consent were sent the Recording Officer receives Consents executed by the registered owners of the Bonds and Parity Bonds owning not less than the outstanding principal amount required to approve the amendment, then the Governing Body may adopt a resolution effecting the proposed amendment, and upon the adoption of the resolution effecting the proposed amendment, the proposed amendment will become effective and binding upon the registered owners of all the Bonds and Parity Bonds issued after the Bonds.

Any Consent given by the registered owner of a Bond or Parity Bond pursuant to the provisions of this section will be irrevocable for a period of six months from the date of the Consent and will be conclusive and binding upon all future registered owners of the same Bond or Parity Bond during the six-month period. A Consent may be revoked at any time after the six-month period by the registered owner who gave the Consent or by a successor in title by filing notice of such revocation with the Recording Officer; *provided* that a revocation will not be effective if the Recording Officer has already received Consents from registered owners of the Bonds and Parity Bonds owning not less than the required outstanding principal amount to approve the amendment, evidencing their consent to and approval of the proposed amendment that was the subject of the Consent.

Section 25. Sale of Bonds.

The Municipality awards the sale of the Bonds to the Bond Purchaser at the Purchase Price, plus any accrued interest from the Original Issue Date to the date of delivery of the Bonds. The Municipality approves and accepts the purchase agreement signed and presented by the Bond Purchaser to evidence the purchase of the Bonds (the “**Purchase Agreement**”). The Municipal Officers are directed (i) to sign the Purchase Agreement in the Municipality’s name and (ii) to take any additional actions needed to complete the sale of the Bonds, including arranging for a specific time and place of closing of the sale.

The Financial Officer is directed to comply with the terms of the Official Terms of Offering with respect to any good-faith deposit requirements.

The officers of the Municipality are directed to sign the Bonds and to arrange for delivery of the Bonds to the Bond Purchaser in accordance with the Official Terms of Offering, the Purchase Agreement, and this resolution. The Bonds may be delivered to the Bond Purchaser upon payment by the Bond Purchaser of the Purchase Price, plus any accrued interest, as required by the Official Terms of Offering.

The sale of the Bonds is conditioned upon the Municipality furnishing the following items to the Bond Purchaser:

- (i) The Bonds, together with the written, unqualified approving opinion of the law firm of Foley & Lardner LLP, bond counsel, evidencing the legality of the Bonds and that interest on the Bonds

will be excluded from gross income for federal income tax purposes.

- (ii) A transcript of the proceedings relating to the issuance of the Bonds.
- (iii) A certificate showing that no litigation has been threatened or is pending that would affect the legality of the Bonds or the right of the Municipality to issue them at the time of their delivery.

Section 26. Disposition of Bond Proceeds.

The proceeds from the sale of the Bonds must be disbursed as follows:

- (i) Any accrued interest must be deposited in the Interest and Principal Account of the Special Redemption Fund.
- (ii) The sum of \$1,404,602.51 must be deposited in the Reserve Account of the Special Redemption Fund.
- (iii) The remaining proceeds from the sale of the Bonds must be deposited in the 2012 Construction Fund and used as described in Section 18(a)(6) of this resolution.

Section 27. Official Statement.

The Municipality authorizes, ratifies, and approves the preliminary offering document prepared and distributed in connection with the sale of the Bonds, and the Municipality authorizes and directs the final version of such document (the “**Official Statement**”) to be prepared and distributed prior to the issuance of the Bonds, *provided*, that the Official Statement must be substantially in the form submitted to this meeting, with such modifications as the Municipal Officers approve. The Municipal Officers must deliver copies of the Official Statement to the Bond Purchaser and, if the Bond Purchaser requests, a Municipal Officer must execute one or more copies on behalf of the Municipality. Execution and delivery of the Official Statement conclusively evidences the approval of the Municipal Officers.

Section 28. Publication of Notice.

The Recording Officer must publish notice that the Municipality has agreed to sell the Bonds. The notice must be published promptly after the adoption of this resolution in the Municipality’s official newspaper as a class 1 notice under Chapter 985 of the Wisconsin Statutes. The notice must be in substantially the form shown in Exhibit B. The Recording Officer must obtain proof, in affidavit form, of the publication and must compare the notice as published with the attached form to make sure that no mistake was made in publication.

Section 29. Authorization of Officers.

The appropriate officers of the Municipality are directed to prepare and furnish the following items to the Bond Purchaser and the attorneys approving the legality of the Bonds:

- (i) Certified copies of proceedings and records of the Municipality relating to the Bonds and to the financial condition and affairs of the Municipality.
- (ii) Other affidavits, certificates, and information that may be required to show the facts about the legality of the Bonds, as such facts appear on the books and records under the officer's custody or control or as are otherwise known to the officer.

Section 30. Tax Law Covenants.

The Municipality covenants that it will comply with all requirements of the Code, and the Treasury Regulations promulgated thereunder, that must be satisfied so that interest on the Bonds will be excluded from gross income for federal income tax purposes.

Section 31. Further Authorizations.

The Municipality authorizes its officers, attorneys, and other agents or employees to do all acts required of them to carry out the purposes of this resolution.

Section 32. Conflict with Prior Acts.

In case any part of a prior action of the Governing Body conflicts with this resolution, the Municipality rescinds that part of the prior action.

Section 33. Severability of Invalid Provisions.

If a court holds any provision of this resolution to be illegal or invalid, then the illegality or invalidity shall not affect any other provision of this resolution.

Section 34. Resolution Effective upon Adoption and Approval.

This resolution takes effect upon its adoption and approval in the manner provided by law.

THE CITY OF MADISON, WISCONSIN (herein called the “**Municipality**”) hereby acknowledges itself to owe and for value received promises to pay to the Registered Owner, solely from the income and revenues hereinafter specified, the Principal Amount, on the Maturity Date, and interest on the Principal Amount from the Original Issue Date at the annual rate of the Interest Rate. Interest is payable on each January 1 and July 1 until the Principal Amount has been paid, beginning on July 1, 2013. Interest is computed on the basis of a 360-day year of twelve 30-day months.

This Bond is one of a duly authorized issue of bonds (the “**Bonds**”) of the Municipality of an aggregate principal amount of \$21,095,000, all of which are of like tenor, except as to denomination, interest rate, maturity date, and redemption provisions, issued by the Municipality pursuant to Article XI, Section 3 of the Wisconsin Constitution and Section 66.0621 of the Wisconsin Statutes, and acts supplementary thereto.

This Bond, together with interest hereon, is payable in lawful money of the United States of America, together with the Municipality's outstanding (i) \$27,185,000 Water Utility Revenue Bonds, Series 2007, dated December 1, 2007, (ii) \$47,065,000 Water Utility Revenue Refunding and Improvement Bonds, Series 2009A, dated December 9, 2009, (iii) \$1,475,000 Taxable Water Utility Revenue Refunding Bonds, Series 2009B, dated December 9, 2009, (iv) \$13,250,000 Taxable Water Utility Revenue Bonds, Series 2010, dated November 10, 2010, and (v) \$19,370,000 Water Utility Revenue Bonds, Series 2011, dated December 22, 2011 (collectively, the "**Outstanding Bonds**"), but only from the "**Water Utility Special Redemption Fund**," which was continued by a resolution adopted on November 27, 2012 (the "**2012 Resolution**") entitled "A Resolution Authorizing and Providing for the Sale and Issuance of \$21,095,000 Water Utility Revenue Bonds, Series 2012, and All Related Details." Reference is hereby made to the 2012 Resolution for a more complete statement of the revenues from which and conditions under which this Bond is payable, the provisions pursuant to which this Bond has been issued, and the conditions under which bonds may hereafter be issued on a parity with this Bond. The Bonds rank on a parity with the Outstanding Bonds. This Bond does not constitute an indebtedness of the Municipality within the meaning of any constitutional or statutory limitation or provision, the Bonds and interest thereon are not general obligations of the Municipality, and the Municipality is not obligated, directly or indirectly or contingently, to levy or to pledge any form of taxation whatever for payments due with respect to the Bonds.

This Bond is a valid claim of the registered owner hereof only against the Water Utility Special Redemption Fund and the revenues pledged to the Water Utility Special Redemption Fund. Sufficient revenues have been pledged to the Water Utility Special Redemption Fund and will be used for no other purpose than to pay the principal of, and interest on, the Bonds and the Outstanding Bonds as the same becomes due.

On the date of their initial delivery, the Bonds will be maintained in a system in which no physical distribution of certificates representing ownership of the Bonds is made to the owners of the Bonds but instead all outstanding Bonds are registered either in the name of a securities depository appointed by the Municipality (a "**Depository**"), or in the name of the Depository's nominee, and the Depository and its participants record beneficial ownership and effect transfers of the Bonds electronically (a "**Book-Entry System**"). So long as the Bonds are maintained in the Book-Entry System, then the principal of, and interest on, this Bond will be paid by wire transfer to the Depository or its nominee in accordance with the Depository's rules that are then in effect by U.S. Bank National Association or any successor fiscal agent appointed by the Municipality (hereinafter, the "**Fiscal Agent**"), who shall act as paying agent and registrar for the Bonds.

If at any time the Bonds are *not* being maintained in a Book-Entry System, then (i) the principal of this Bond will be paid by the Fiscal Agent upon its presentation and surrender on or after its maturity or earlier redemption date at the designated office of the Fiscal Agent, and (ii) the interest on this Bond will be paid by the Fiscal Agent, on each interest payment date, by wire or other electronic transfer or by check of the Fiscal Agent sent by first class mail to the person in whose name this Bond is registered in the register (the "**Bond Register**") maintained by the Fiscal Agent at the end of the day on the 15th day (whether or not a business day) of the calendar month immediately preceding each regularly scheduled interest payment date (the "**Record Date**").

The Bonds maturing on or after January 1, 2023 are subject to redemption prior to their stated maturity dates, at the Municipality's option, in whole or in part, in the order of maturity selected by the Municipality, on January 1, 2022 and on any date thereafter. The redemption price will be 100% of the principal amount redeemed plus accrued interest to the redemption date, and no premium will be paid. If less than all outstanding principal amount of a specific maturity is redeemed, then the Bonds will be redeemed in \$5,000 multiples as described below.

So long as the Bonds are being maintained in a Book-Entry System, the following provisions apply:

Transfers. The Bonds are transferable, only upon the Bond Register and only if the Depository ceases to act as securities depository for the Bonds and the Municipality appoints a successor securities depository. If that happens, then upon the surrender of the Bonds to the Fiscal Agent and in exchange for the surrendered Bonds and upon the payment of a charge sufficient to reimburse the Fiscal Agent for any tax, fee, or other governmental charge required to be made with respect to such registration, the Municipality will issue new fully registered Bonds in the same aggregate principal amounts to the successor securities depository, and the Bonds will be recorded as transferred to the successor securities depository in the Register.

The Fiscal Agent will not be required to make any transfer of the Bonds (i) during the 15 calendar day period before the date of the sending of notice of any proposed redemption of the Bonds or (ii) with respect to any particular Bond, after such Bond has been called for redemption.

Partial Redemption. If less than all the principal amount of a specific maturity is to be redeemed, then the Depository and its direct and indirect participants will randomly select the beneficial owners of the Bonds to be redeemed. If a Bond has been called for redemption but less than all the principal amount of a specific maturity is redeemed, then on the redemption date, upon surrender of the Bond, the Municipality will issue one or more new Bonds in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Bonds will be sent to the Depository, in the manner required by the Depository, not less than 30, and not more than 60, days before the proposed redemption date. A notice of redemption may be revoked by sending notice to the Depository, in the manner required by the Depository, not less than 15 days before the proposed redemption date.

Accrual of Interest. If payment of a Bond called for redemption has been made or provided for, then interest on the Bond stops accruing on the stated redemption date.

Register. The Municipality, the Fiscal Agent, and any alternate fiscal agent may treat the entity or person in whose name this Bond is registered on the Register as the absolute owner of this Bond for all purposes.

If at any time the Bonds are *not* being maintained in a Book-Entry System, then the following provisions apply:

Transfers. Each Bond is transferable, only upon the Bond Register, for a like aggregate principal amount of the same maturity and interest rate in denominations of \$5,000 or any multiple thereof. A transfer may be requested by the registered owner in person or by a person with a written power of attorney. The Bond must be surrendered to the Fiscal Agent, together with a written instrument of transfer satisfactory to the Fiscal Agent signed by the registered owner or by the person with the written power of attorney. The Fiscal Agent will issue one or more new fully registered Bonds in the same aggregate principal amount to the transferee or transferees, as applicable, in exchange for the surrendered Bonds and upon the payment of a charge sufficient to reimburse the Municipality or the Fiscal Agent for any tax, fee, or other governmental charge required to be paid with respect to such registration.

The Fiscal Agent will not be required to make any transfer of the Bonds (i) during the 15 calendar day period before the date of the sending of notice of any proposed redemption of the Bonds, or (ii) with respect to any particular Bond, after the Bond has been called for redemption.

Partial Redemption. If less than all the principal amount of a specific maturity is to be redeemed, then the Municipality will randomly select the Bonds to be redeemed. If a Bond has been called for redemption by less than the entire principal amount of a specific maturity is redeemed, then on the redemption date, upon surrender of the Bond, the Municipality will issue one or more new Bonds in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Bonds will be sent by first class mail, not less than 30, and not more than 60, days before the proposed redemption date, to the registered owners of any Bonds to be redeemed. Notice of redemption may be revoked by sending a notice by first class mail, not less than 15 days before the proposed redemption date to the registered owners of any Bonds which were to have been redeemed.

Accrual of Interest. If payment of a Bond called for redemption has been made or provided for, then interest on the Bond stops accruing on the stated redemption date.

Register. The Municipality, the Fiscal Agent, and any alternate fiscal agent may treat the entity or person in whose name this Bond is registered on the Register as the absolute owner of this Bond for all purposes.

The Municipality hereby certifies, recites, and declares that all acts, conditions, and procedures required by law to be, or to be done, precedent to and in the issuing of this Bond and of the issue of which it is a part, do exist, have happened, and have been done and performed in regular and due form, time, and manner as required by law; and that a sufficient amount of the income and revenue to be received by the Municipality from the operation of the System has been pledged to and will be set aside into a special fund for the payment of principal of, and interest on, this Bond.

IN WITNESS WHEREOF, the Municipality, by its governing body, has caused this Bond to be executed in its name and on its behalf by the manual or facsimile signatures of its Mayor and Clerk, and to be sealed with its corporate seal (or a facsimile thereof), if any, all as of December 19, 2012.

Subject: \$21,095,000
City of Madison, Wisconsin
Water Utility Revenue Bonds, Series 2012

We have acted as bond counsel in connection with the issuance by the City of Madison, Wisconsin (the “**Municipality**”) of its \$21,095,000 Water Utility Revenue Bonds, Series 2012, dated December 19, 2012 (the “**Bonds**”). The Bonds were issued pursuant to a resolution adopted by the Common Council of the Municipality on November 27, 2012 (the “**Resolution**”).

We examined the law, a certified copy of the proceedings relating to the issuance of the Bonds, and certifications of public officials and others. As to questions of fact material to our opinion, we relied upon the certified proceedings and certifications without independently undertaking to verify them.

The Bonds are payable only from a special redemption fund established by the Municipality and the revenues pledged to such fund. The Bonds are issued on a parity with the Municipality’s (i) \$27,185,000 Water Utility Revenue Bonds, Series 2007, dated December 1, 2007, (ii) \$47,065,000 Water Utility Revenue Refunding and Improvement Bonds, Series 2009A, dated December 9, 2009, (iii) \$1,475,000 Taxable Water Utility Revenue Refunding Bonds, Series 2009B, dated December 9, 2009, (iv) \$13,250,000 Taxable Water Utility Revenue Bonds, Series 2010, dated November 10, 2010, and (v) \$19,370,000 Water Utility Revenue Bonds, Series 2011, dated December 22, 2011 (collectively, the “**Outstanding Bonds**”). The Bonds and interest thereon are not general obligations of the Municipality, and the Municipality is not obligated, directly or indirectly or contingently, to levy or to pledge any form of taxation whatsoever for payments of the Bonds.

Under circumstances and subject to conditions stated in the Resolution, additional bonds and notes may later be issued on a parity and equality of rank with the Bonds and the Outstanding Bonds (any such bonds or notes being hereinafter referred to as “**Parity Bonds**”).

The Municipality has pledged a portion of the revenues of the Municipality’s waterworks system (the “**System**”) to the Special Redemption Fund to pay the principal of, and interest on, the Bonds, the Outstanding Bonds, and any Parity Bonds. In addition, the Resolution provides that amounts held in certain other funds and accounts created or continued under the Resolution shall be transferred to the Special Redemption Fund in the event the funds therein are insufficient to make such payments.

Based upon this examination, we are of the opinion that, under existing law:

1. The Bonds were duly authorized, executed, and delivered by the Municipality and are valid and binding revenue obligations enforceable in accordance with their terms.

2. Interest on the Bonds is excluded from gross income for federal income tax purposes and is not a specific item of tax preference for purposes of the federal alternative minimum tax imposed on all taxpayers; however, interest on the Bonds is taken into account in determining adjusted current earnings for purposes of computing the alternative minimum tax imposed on certain corporations. The Municipality must comply with all requirements of the Internal Revenue Code of 1986, as amended (the “Code”), that must be satisfied after the Bonds are issued for interest on the Bonds to be, or continue to be, excluded from gross income for federal income tax purposes. The Municipality has agreed to comply with those requirements. Its failure to do so may cause interest on the Bonds to be included in gross income for federal income tax purposes, in some cases retroactively to the date the Bonds were issued. We express no opinion about other federal tax law consequences relating to the Bonds.

The rights of the owners of the Bonds and the enforceability of the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium, and other similar laws affecting creditors’ rights and by equitable principles (which may be applied in either a legal or an equitable proceeding).

We express no opinion as to the truth or completeness of any official statement or other disclosure document used in connection with the offer and sale of the Bonds.

Our opinion is given as of the date of this letter. We assume no duty to update our opinion to reflect any facts or circumstances that later come to our attention or any subsequent changes in law. In acting as bond counsel, we have established an attorney-client relationship solely with the Municipality.

Very truly yours,

EXHIBIT B
