

MPD Tavern Files - By Volume

Listed below are noteworthy alcohol related calls Madison Police Officers have handled. The calls are broken down as being related to an alcohol license holder (by name) or designated as having occurred on public or private property. The intent of this data base is to provide alcohol information, trends, activities and alleged liquor and other law violations. Be cautioned not to make judgments on the merits of any incident from the select (out of context) information presented here. Arrests, citations issued or decisions to foreword a report to the City Atty's office for prosecution should not infer guilt. The incidents presented in this data base are a sampling of the many alcohol related calls handled by Officers daily.

Incident Officers cited underage suspect who repeatedly tried to enter the establishment. Suspect was cooperative; however, while officer was completing citation, another individual tried to approach officers and demanded they get his confiscated id back. According to bar manager, that individual had lent his id to an underage friend and it had been confiscated. That person was also known by bar staff as a go-between for drug dealing. That person left before officers could recontact him.

Incident During a routine bar check, officers asked two patrons who appeared to be underage for id. One supplied valid id, however the other said he could not find his wallet. The first said the other was her brother and told officers he was 21. Both patrons had beer, and officers told them he must have had id in order to be served alcohol. Eventually the patron located id, which stated he was underage. Both patrons were escorted from the establishment. Outside, another patron trying to enter the establishment was contacted by officers because she appeared to be intoxicated. This person provided id and was not of legal drinking age. Underage suspects were cited and released.

Incident Officers were doing a routine bar check at Madison Avenue bar. There was a large amount of congestion in the entrance area and it was difficult for the officers to exit the bar when a fight was reported outside of the establishment. Officers contacted the bouncer of the bar, who said he had denied entry to an individual who had been vomiting outside of the bar as well as the individual's friends. The females wanted to leave and the bouncer did not want to pursue a complaint.

Listed below are noteworthy alcohol related calls Madison Police Officers have handled. The calls are broken down as being related to an alcohol license holder (by name) or designated as having occurred on public or private property. The intent of this data base is to provide alcohol information, trends, activities and alleged liquor and other law violations. Be cautioned not to make judgments on the merits of any incident from the select (out of context) information presented here. Arrests, citations issued or decisions to forward a report to the City Atty's office for prosecution should not infer guilt. The incidents presented in this data base are a sampling of the many alcohol related calls handled by Officers daily.

Incident Officer was dispatched to the Red Shed reference an unwanted person. Upon arrival, officer made contact with the bouncer at the front door who was arguing with a suspect who was unwilling to leave. This was not the person originally causing a problem, but he continued to cause a disturbance and would not comply with officer's commands to stay back. Officer arrested the suspect for DC, but the suspect continued to resist. Another officer arrived to assist, and the suspect had to be taken down by force and pepper spray was deployed. Suspect continued to resist officers and call officers names as he was transported to DCJ. Officers reported a forearm abrasion, pain to a thumb, and pain to a knee. The original complaint at the Red Shed was resolved without incident by the bouncer.

Listed below are noteworthy alcohol related calls Madison Police Officers have handled. The calls are broken down as being related to an alcohol license holder (by name) or designated as having occurred on public or private property. The intent of this data base is to provide alcohol information, trends, activities and alleged liquor and other law violations. Be cautioned not to make judgments on the merits of any incident from the select (out of context) information presented here. Arrests, citations issued or decisions to forward a report to the City Atty's office for prosecution should not infer guilt. The incidents presented in this data base are a sampling of the many alcohol related calls handled by Officers daily.
