Re: Voting item 71262

Dear Mr. Jim Verbick and ALRC:

Due to a series of purely administrative glitches, The Marquette Neighborhood Association (MNA) and the neighbors we represent have not had the opportunity to review the new license application made by MMAP Imports & Holdings LLC dba The Deliciouser (agent Michelle Oyamada).

At this point, the MNA neither supports nor opposes the application to the ALRC that will be voted on tonight as The Deliciouser partners have not presented to the MNA Board or Preservation & Development (P&D) Committee, as is the norm. Nor have we been briefed by our Alder.

However, we strongly request that the application not be progressed to the City Council for vote until the MNA has had the opportunity to engage with the applicants and Marquette neighbors to discuss any concerns. The next MNA P&D committee meeting is scheduled for June 14th; the next MNA Board meeting is scheduled for June 20th.

Thank you for your consideration.

Sincerely,

Marlisa Kopenski Condon
Chair, MNA Preservation & Development Committee
