July 5, 2017

To: Property owners within the Colony Drive and South Gammon Road Traffic Signal Assessment District

In the next month, the Board of Public Works and the Madison Common Council will consider plans and assessment schedules to fund the new traffic signal and westbound right turn lane improvements at Colony Drive and South Gammon Road. The estimated cost to install the traffic signals is \$ 195,000. The estimated cost to install the westbound right turn lane is \$43,000.

The estimated traffic signal assessment was apportioned among all parcels within the assessment district based on estimated trips generated by each parcel using Institute of Transportation Engineers Trip Generation Handbook.

The traffic signal and westbound right turn lane are expected to be installed sometime during the summer months of 2017.

You can contact me at 266-4899, if you have any questions or comments.

Sincerely,

Gretchen Avilés Piñeiro
Engineer I
City of Madison
