Subject: Softball field reservation

Hello Jim,

I called yesterday to inquire about reserving the softball fields at Vilas Park on April 26th. We are planning a softball tournament and would need to reserve both of the fields. The tournament would begin around 10:00 am but a few of us would probably be there by 9:00 for set-up. The tourney would continue throughout the day and most likely finish up around 8:00 pm. We are hoping 12-16 teams are interested in playing in this tournament which would be equivalent to 130-200 people involved, with all the volunteers included in that number. The number of people present at any given time would be smaller, probably in the 70-100 range since most of teams participating will be formed of UW-Madison students who live near-by.

VILAS PARK  
Facilities needed: 2 softball diamonds  
Total # of people: less than 200  
Times: 9:00am-8:00pm

Please contact me with what needs to be done next. Thanks for your help!!
