

# Notice to Drivers Outdated Fare Media

We've had recent experience with riders using **PINK Quik Tix**. These are old Quik Tix, from before the 2004 fare increase.

We'd like to get this old fare media out of circulation, and will exchange the old tickets for current ones on a one-to-one basis. If you have passengers boarding using **PINK Quik Tix**:

1. Allow them to use their ticket for the ride
2. Ask them to exchange the tickets at Metro for current Quik Tix. (*refer them to reception desk*)
3. The exchange will be on a one-for-one basis, so the customer will not 'lose' any rides by exchanging their tickets for current fare media.

*Thank you for your cooperation on this.*
