

Board of Health for Madison & Dane County
Resolution #2017-11

2018 Public Health Grants and Contracts

Public Health – Madison and Dane County (PHMDC) has many grants and contracts whereby it receives funds to support public health services. The grants included in this resolution are continuations of grants from previous years; they have been reviewed and approved by the Dane County Board of Supervisors and the City of Madison Common Council in previous funding cycles. Under the terms of the merger agreement, the Board of Health for Madison and Dane county may accept continuation grants with the approval of the Board of Health for Madison and Dane County (IGA, VII, F, 1-3).

NOW THEREFORE BE IT RESOLVED, that the Board of Health for Madison on behalf of Public Health—Madison and Dane County authorizes the Director of Public Health, or her designee, to sign the following contracts and agreements that are anticipated in the 2018 Public Health Operating Budget:

Grants:

- Consolidated Contract (Division of Public Health of the Wisconsin Department of Health Services) with grants for the following:
 1. Childhood Lead Poisoning Prevention
 2. Radon Regional Information Center
 3. Immunizations
 4. Maternal Child Health
 5. Wisconsin Well Woman
 6. Special Supplemental Nutrition Program for Women, Infants, and Children (WIC)
 7. Tobacco Prevention and Control (Education)
 8. Tobacco Prevention and Control Compliance (WI WINS)
 9. Opioid Rx Pathway
- Prevention Health and Human Services Block Grant (Division of Public Health of the Wisconsin Department of Health Services);
- Public Health Emergency Preparedness (Division of Public Health of the Wisconsin Department of Health Services) for emergency preparedness planning;
- HIV Prevention and Linkages to Care and HIV Prevention Targeted (Division of Public Health of the Wisconsin Department of Health Services) for counseling and partner referral services; and
- Komen Treatment Access Fund (Susan G. Komen for the Cure, South Central Wisconsin) for breast and cervical cancer screening and support services;
- ORF (Oscar Rennebohm Foundation) for Nurse Family Partnership Home Visitor services in the North side Early Childhood Zone

Agent Agreements:

- Transient Non-Community Public Water Systems (Wisconsin Department of Natural Resources) to test private water systems;

- Retail Food Establishment Licensing (Wisconsin Department of Agriculture, Trade, and Consumer Protection) to administer a retail food establishment licensing program;
- Inspection of Manufactured Homes (Wisconsin Department of Safety and Professional Services) to inspect each manufactured home community in Dane County for the enforcement of state sanitary regulations;
- Lodging and Pools (Wisconsin Department of Agriculture, Trade, and Consumer Protection) to issue permits, inspect and regulate restaurants, campgrounds, recreational educational camps, public swimming pools, hotels, motels, tourist rooming houses and bed and breakfast establishments, and inspect vending machines; and
- Body Art regulation (Wisconsin Department of Safety and Professional Services) to issue permits and inspect tattoo and body piercing establishments.

Other:

- Tuberculosis (TB) Dispensary (Division of Public Health of the Wisconsin Department of Health Services) to reimburse local providers for TB services when clients have no health coverage;
- West Nile Virus Partner Agreements (local municipalities and governmental agencies) for mosquito surveillance and control;
- Wisconsin Fund (Wisconsin Department of Natural Resources) for the replacement of septic systems;
- Wisconsin Partnership Program: Healthy Birth Outcomes
- MIECHV (Maternal, Infant, and Early Childhood Home Visiting) program for Nurse Family Partnership home visiting services and additional supports for pregnant women and families
