Good afternoon Commissioners,

I am writing to share my support for the new development at 126 N Langdon St. Over the course of the development, Steve Brown Apartments has routinely engaged the community and neighbors on the development. They have responded to previously voiced concerns about height and massing on the site with a proposal that maintains a more modest height level. It is my belief that this development will contribute to the area without detracting from other neighboring historic buildings. While I unfortunately am unable to voice my comments at tonight's meeting, I am more than happy to connect before the meeting for any questions or concerns.

Thanks,

Juliana
