Subject: Proposed UW Credit Union on Northport Drive

Dear Plan Commission,

My husband and I are long-time members of the UW credit union and have been living on Troy Drive for the past 5 years. We're looking forward to the opening of the new credit union branch on Northport Drive. We keep our driving down as much as possible, so sometimes it takes us weeks to deposit checks at the branches that currently exist. Opening a branch on Northport will also make residents in the area eligible to join the credit union, and I think that will be a good thing for our neighborhoods.

So, we support the proposed UW Credit Union on Northport Drive.
