Todd Kiley

718 S. Orchard St.

Madison WI.

608-444-6590

Todd.kiley@wisc.edu

Biography:

I have live in the Vilas neighborhood almost all my life. I grew up on Erin St and my parents are still there today.

I believe that I could listen to the neighborhood resident and bring to them some history, but also address their concern.

When we put and addition on to our home we found out we are on a PUD property. So going thru Urban Design, Common Council and City Council was a real learning experience, to get our building permit.

Education and Work in attachment:

Civic:

Coach youth Hockey

Why:

I been this area almost my whole life. I can remember when they would swipe the streets by hand. I have a lot of heart in this area. I'm seeing thing that are not getting done. So maybe I can make a difference.

As far as the 2019 Election. If I was to get this position, and if I felt I was making a difference I would run for the position in 2019.
